

**RESCHEDULED the 50<sup>th</sup> Anniversary Photo Shoot** ...this is still slated to end up on the cover of **Blue Bars** and hopefully our **Cowtown Low-Down**. Additionally, the final photo w/artwork will be available for you to obtain prints – we had copies of three previous anniversary shoots on display @ the 50<sup>th</sup> celebration.

**Details:**

- Date: **Saturday, October 26<sup>th</sup>** ...*first free date after the temperature drops, which then has lots of events on the calendars.*
- Time: **Staging starts @ 11-11:30am** – photos will be taken as soon as all Corvettes are in place.
- Location: **Cleburne Railroaders Stadium – on the baseball field** (turf) ...*then we would just need Hot Dogs & Apple Pie to fulfill the 1975 Chevy Ad ;)*
- A few of us will start setting up the 50<sup>th</sup> layout on the field around 10am – hopefully, we will finish in about 1 to 1-1/2 hours.
- As soon as we have finished, we will start pulling Corvettes onto the field around 11:30am.
- The 50<sup>th</sup> Layout (attached) was originally laid out to fit Member's Corvettes that had RSVP'd for the June Shoot; which will need tweaked for this new date.

**Request for you:**

- **RSVP** for the Corvette(s) you will be bringing. Yes, you can bring more than one if you wish.
- Competition & Collector Vettes are welcome – there is plenty of room to bring it on a trailer and unload them.
- We need to know the Year & Color of each Corvette for staging purposes.
- We would ask that you wear your **50<sup>th</sup> Anniversary Shirt** ...*if you don't have one, Donna is still taking orders* ...or just wear a maroon / red shirt.
