

## CHARITY NEWS

**I hope everyone is ready for  
some fun this month!!!**

I believe most of you have probably heard of WFAA's Chief Weather Anchor, Troy Dungan. 2006 is Troy's 31<sup>st</sup> anniversary as the official spokesman for *Santa's Helpers*. *Santa's Helpers* is a wonderful organization in it's 37<sup>th</sup> year of collecting toys from various metroplex "drop off" locations. All toys are donated to children in Tarrant, Dallas, Collin and Denton counties. This year, Troy and his protégé, Pete Delkus, will be at the Will Rogers Coliseum parking lot on Friday, December 15, between 5 and 10 pm.

Our December charity event will be donating toys to this great cause. The board voted to make a cash donation as well as to buy toys from Cowtown Vettes, but I would like to supplement these toys with more toys from you great members. So, if you would join us for this fun evening, please bring an unwrapped toy with you that night. CTV will be meeting in the rear parking lot of the Omni Theatre at 1501 Montgomery Street, Fort Worth. The time to meet will be 7:00 pm. Please consider participating! Be

sure to wear your Santa hat, display your CTV flags and we'll have a long line of Vettes to show Channel 8 what Cowtown Vettes is all about!!!

I have also included a flyer that you may post at your work or any other location that may enjoy participating in this worthwhile cause. Just complete your name and contact information so that the toys will be picked up before December 15<sup>th</sup>. If you don't think you will attending or need help with the pick up/delivery of toys bring them to the December meeting on Friday, December 1 or contact myself at [kfowler@theblumfirm.com](mailto:kfowler@theblumfirm.com) or call me at home. ***Please remember all toys must be new and unwrapped.***

Also, don't forget the Easter Seals *Walk with Me* walk on Saturday, December 2. I previously sent out an all-member email regarding this event. I've signed us up as a team, so you can go online to register. Call or email me with any questions.

**I wish all of you very Happy Holidays!!!**
