Hospitality Saturday Night	Event: NCCC Low-Speed Autocrosses Dates: Saturday - 07/15/06 @ Texas Motor Speedway (TMS)	The Food will be catered and they provide a server. This group will be responsible to help setup the area for the social, working the drink section ready along with cleanup afterwards.
Lunches	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	We are serving lunches Saturday and Sunday to the workers and participants - responsibilities for getting the lunches to the track and having them out for the folks to eat lunch, mid-day during the race days
Parking	Event: NCCC Low-Speed Autocrosses Dates: Fri thru Sun - 07/14-16/06 @ Texas Motor Speedway (TMS)	This is to guide and assist participants where to park their RIGs so that we can fit all of them into the area provided. Most of the activity is Friday evening with a few coming in on Sat & Sun mornings
Photography	Event: NCCC Low-Speed Autocrosses Dates: Fri thru Sun - 07/14-16/06 @ Texas Motor Speedway (TMS)	This is a group of individuals which will capture photos around all aspects of the event for the website and the History Albums. <u>Note: People working Corners can also sign-up for this function, since that is the best seat at the race.</u>
Pre-Staging	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	This is where we stage the Participants awaiting their turn to go up to the track for their runs. We stage the Vettes by group and by type of driver(s) - the Vettes park in the same spot all weekend. <u>Get up close and personal with the race cars and the participants - this is where you see it all</u>
Registration	Event: NCCC Low-Speed Autocrosses Dates: Fri thru Sun - 07/14-16/06 @ Texas Motor Speedway (TMS)	This group is responsible for registering the participants at the track, prior to their Vettes being "teched". They will be responsible for validating the racer's drivers license & NCCC is valid, to provide goodie bags, lunch & Sat night BBQ tickets and the tech sheet. <i>There are a few participants that will need to be registered when they come in Sat & Sun mornings</i>
Staging	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	This group coordinates participants from the pre-staging area up to the Staging area, prior to their turn on the starting line.
Starter	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	This is the person at the starting line which launches the cars onto the track after a careful check of the racers out on the track - in constant communication with the Timing group.
Tech	Event: NCCC Low-Speed Autocrosses Dates: Fri-Sun - 07/14-16/06 @ Texas Motor Speedway (TMS)	This group is responsible for performing a safety check on the race cars, per the NCCC tech sheet and rule book. <u>If your interested in learning about Corvette Setup and/or Safety, here is the gig for you</u>
Timing	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	This group is responsible for running the timing system on the track - the timing system records the participants run (lap) times, which are then posted to timing boards
Timing Boards	Event: NCCC Low-Speed Autocrosses Dates: Sat & Sun - 07/15-16/06 @ Texas Motor Speedway (TMS)	This group is responsible for posting the participant's run stickers onto the timing boards. <u>If you like to see who is the fastest & how the competition stacks up, this is where the proof is</u>

Sign-Up Sheets are posted on the Glass Showroom wall - please join the fun and help Cowtown put on the Best Event in History
