

Cook Children's Christmas in July Party

Hello Everyone,

If you are on this list, then you have volunteered to help at the Christmas in July party at Cook Children's Hospital on Friday, July 22nd from approximately 10:00 am to 12:00 pm. Please update your calendar.

For those who have not worked with us at the December party, we arrive about 10:00 - 10:15 am in the lobby of the hospital. At that time we assist with the setup by putting stuffed animals under the tree, setting up a few craft tables and the refreshment table. The children who are able come down from their rooms between 11:00 and 12:00. We provide help by passing out the stuffed animals, serving refreshments and helping with the simple crafts. Although, we have not participated in this July event, I'm told it will be the same as the Christmas party we help with each December. We also assist with cleanup after the party.

I'll provide a few more details as we get closer to the date. Just wanted you to get it on your calendar and start looking for a red shirt and your Santa hat if you have one. These are the folks I have on the list to volunteer:

Gwynne and Gary Hanna
Barb and Red Greenfeder
Doug McMahan
Becky Clark
Margaret and Fred Proctor
Dalton and Connie Wharton
William Nolan and Mary Pittman
Lou Ann and Robert Pressler
Connie and Ronnie McCrary
Sharon and Walt Zschirnt
Rick Garabedian
Jane and Bill Buehler

We have plenty of volunteers, so if something changes for you, just let me know.

Thanks, Jane
