

***2005 CORVETTE***

# 2005 Corvette Initial Ordering Workbook

**2005 CORVETTE**

## 2005 Chevy Corvette Easy Order Checklist

1.  **Select Coupe (Y07) or Convertible (Y67)**
2.  **Select a Preferred Equipment Group**
  - 1SX—Base Package (Coupe only)
  - 1SA—Enhanced Package
  - 1SB—Premium/Popular Package
3.  **Select free-flow options and color combinations**  
(Please refer to pages 13 and 14 for complete exterior/interior/convertible top color availability)

### **REMINDER:**

Corvette Convertible production will begin shortly after the July Coupe SOP. Early production levels will favor Coupes, with the Convertible ramping up at a slower pace.

**NOTE: THIS ENTIRE INITIAL ORDERING WORKBOOK  
CAN BE ACCESSED AND PRINTED FROM [www.chevylaunch.com](http://www.chevylaunch.com).**

## Corvette Ordering Highlights

The sixth generation of America's performance icon offers more power, passion and precision than any previous generation Corvette.

- All Corvette models feature the LS2 engine, the fourth generation of the small-block V8. This engine boasts 400 horsepower and 400 lb.-ft. torque
- The standard transmission is the 6-speed manual (MN6) with a short-throw shifter

## New Standard Features for 2005

- Keyless access with push-button start
- Bucket seats with leather seating surfaces
- RDS AM/FM stereo with CD player and MP3 playback
- High-intensity discharge Xenon headlamps
- Automatic headlamp control
- Air filtration and pollen filter
- Hidden AM/FM antenna
- Power hatch pulldown (Coupe only)
- P245/40ZR18 (front) and P285/35ZR19 (rear) extended mobility Goodyear Eagle F1 tires
- 18-inch x 8.5-inch (front) and 19-inch x 10-inch (rear) aluminum wheels

## New Optional Features for 2005

- Side-impact air bags
- DVD navigation with GPS and color touch-screen display
- Heated driver and passenger seats
- OnStar®
- HomeLink®
- XM satellite radio
- 6-disc in-dash CD changer with MP3 playback and Bose® 7-speaker sound system
- Power folding convertible top (Convertible only)
- An improved (Z51) Performance Package
- New Head-Up Display with Street and Track modes
- Inside rearview mirror with compass

For a more in-depth look at the Corvette product story, including detailed specifications and competitive comparisons, please visit the Chevy Launch Web site (accessible via DealerWorld or [www.chevylaunch.com](http://www.chevylaunch.com)).

## Corvette Launch Timing

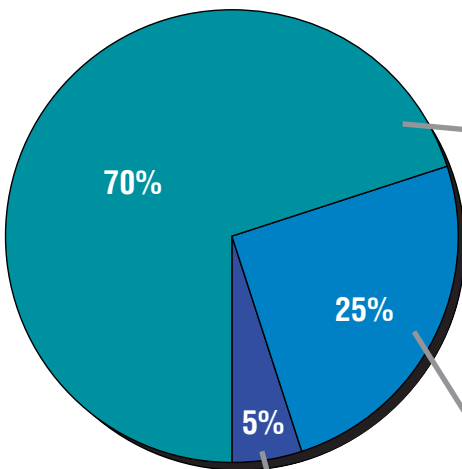

*All dates are for 2004.*

April 29	2005 Corvette Ordering Overview IDL
May	First dealer consensus (for July production)
June	Pricing announcement
July	Start of production (Coupe and Convertible)
August – November	Sales training tour (tentative)
Third Quarter	National advertising launch

# 2005 Corvette Initial Ordering Workbook

## Key Standard Features—Coupe

- Active handling
- Air bags, dual-stage, frontal
- Air bag shutoff switch, front passenger
- Air conditioning, dual-zone with automatic climate control
- Automatic headlamp control
- Axle, 3.42 ratio, limited slip (6-speed manual)
- Brakes, 4-wheel disc with antilock
- Cabin air filtration
- Cruise control
- Defogger, rear-window
- Driver Information Center with two-line display and trip computer
- Engine, 6.0L LS2 V8 SFI
- Floor mats, carpeted
- Fog lamps, front, integrated in fascia
- Hatch pulldown, power
- Headlamps, Xenon high-intensity discharge
- Keyless access with push-button start
- Lockable floor console, including two covered cupholders, ashtray with cigar lighter, auxiliary power outlet and CD storage
- Lower child seat anchors
- Mirrors, power heated, outside rearview
- Roof panel, body color, removable
- Six-way power driver seat
- Steering column, tilt
- Steering wheel, leather wrapped
- Tire pressure monitor system, displayed on DIC
- Traction Control, all speed
- Transmission, 6-speed manual, short-throw
- Wheels, 5-spoke aluminum
- Windows, power

## Corvette Premium/Popular Package

### INCLUDES:

- Key Standard Features
- 1SA features

1SB

### PLUS:

- Auto-dimming inside and driver-side outside rearview mirrors
- Head-Up Display (HUD)
- Heated driver and passenger seats
- HomeLink® transmitter
- Inside rearview mirror with compass
- Memory package with two driver settings
- Power telescopic steering column with manual tilt
- RDS AM/FM stereo with 6-disc in-dash CD changer, MP3 playback and Bose® premium 7-speaker system

### Recommendations:

Making up more than 2/3 of the total build, this will be the most popular Coupe choice. Consider adding the (CC3) transparent roof panel, (F55) Magnetic Selective Ride Control and the (U3U) sound system with navigation to certain vehicles. You may also want to consider the (QG7) polished aluminum wheels option, (UE1) OnStar® and (U2K) XM satellite radio.

## Corvette Enhanced Package

### INCLUDES:

- Key Standard Features
- 1SX features

1SA

### PLUS:

- Luggage shade and cargo convenience net
- Side-impact air bags for driver and passenger
- 6-way power passenger seat
- Sport bucket seats with perforated leather seating surfaces and power lumbar and wing adjustment

### Recommendations:

For a relatively small jump in price over the 1SX, 1SA adds uplevel features including perforated leather seats, a power passenger seat and side air bags. Consider adding the (QG7) polished aluminum wheels for an enhanced exterior appearance.

## Corvette Base Package

### INCLUDES:

- Key Standard Features

1SX

### PLUS:

- Bucket seats with leather seating surfaces
- RDS AM/FM stereo with CD player and MP3 playback and 7 speakers

### Recommendations:

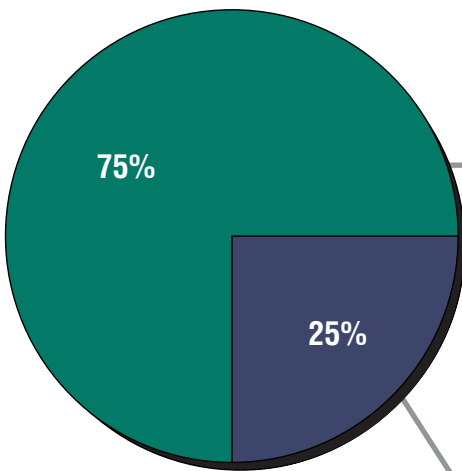

This is the entry-level Corvette Coupe yet is highly contented. Making up only 5% of the build, Corvette with the 1SX package group will be the advertising price leader.

NOTE: Penetration of the 4-speed automatic transmission option (MX0) is expected to be approximately 65%.

# 2005 Corvette Initial Ordering Workbook

## Key Standard Features—Convertible

- Active handling
- Air bags, frontal and side-impact, driver and front passenger
- Air bag shutoff switch, front passenger
- Air conditioning, dual-zone with automatic climate control
- Automatic headlamp control
- Axle, 3.42 ratio, limited slip (6-speed manual)
- Brakes, 4-wheel disc with antilock
- Cabin air filtration
- Cargo convenience net
- Convertible top, manual with glass rear window
- Cruise control
- Defogger, rear-window
- Driver Information Center with two-line display and trip computer
- Engine, 6.0L LS2 V8 SFI
- Floor mats, carpeted
- Fog lamps, front, integrated in fascia
- Headlamps, Xenon high-intensity discharge
- Keyless access with push-button start
- Lockable floor console, including two covered cupholders, ashtray with cigar lighter, auxiliary power outlet and CD storage
- Lower child seat anchors
- Mirrors, power heated, outside rearview
- Seats, front Sport bucket with perforated leather seating surfaces and power lumbar and wing adjustment
- Six-way power driver seat
- Six-way power passenger seat
- Steering column, tilt
- Steering wheel, leather wrapped
- Tire pressure monitor system, displayed on DIC
- Traction Control, all speed
- Transmission, 6-speed manual, short-throw
- Trunk release, push-button open
- Wheels, 5-spoke aluminum
- Windows, power

## Corvette Convertible Standard Package

### INCLUDES: 1SA

- Key Standard Features
- PLUS:**
- RDS AM/FM stereo with CD player and MP3 playback and 7 speakers

### Recommendations:

The 1SA package is the “base” level for Convertible, but is anything but base. Perforated leather seats, a power passenger seat and side air bags all signify an uplevel vehicle. Consider adding the (QG7) polished aluminum wheels for an enhanced exterior appearance. The power convertible top is not available with the 1SA equipment group.

## Corvette Convertible Premium/Popular Package

### INCLUDES: 1SB

- Key Standard Features
- 1SA features

### PLUS:

- Auto-dimming inside and driver-side outside rearview mirrors
- Head-Up Display (HUD)
- Heated driver and passenger seats
- HomeLink® transmitter
- Inside rearview mirror with compass
- Memory package with two driver settings
- Power telescopic steering column with manual tilt
- RDS AM/FM stereo with 6-disc in-dash CD changer, MP3 playback and Bose® premium 7-speaker system

### Recommendations:

Making up 3/4 of the total Convertible build, this will be the most ordered and purchased PEG. Consider adding the (U3U) sound system with navigation to certain vehicles, along with the (QG7) polished aluminum wheels option. Also remember that the (CM7) power convertible top is available for order with this PEG.

*NOTE: Penetration of the 4-speed automatic transmission option (MX0) is expected to be approximately 65%.*

## Sound Systems

RPO	Description	Features	Availability
<b>US8</b>	RDS AM/FM stereo with CD player and MP3 playback	Includes Radio Data System, seek-and-scan, digital clock, auto-tone control, automatic volume, TheftLock and (U66) 7-speaker sound system feature	Included on Corvette models with the 1SX and 1SA equipment groups
<b>US9</b>	RDS AM/FM stereo with 6-disc in-dash CD changer and MP3 playback	Includes Radio Data System, seek-and-scan, digital clock, auto-tone control, automatic volume and TheftLock®. Also includes (U65) Bose® premium 7-speaker sound system	Included on Corvette models with the 1SB equipment group. Compatible with (U2K) XM satellite radio
<b>U3U</b>	RDS AM/FM stereo with CD player, Bose premium 7-speaker sound system and a DVD navigation system with GPS	Includes 6.5-inch LCD color touch-screen display and voice recognition. (See page 9 for complete details)	Available on Corvette models with the 1SB equipment group. Compatible with (U2K) XM satellite radio
<b>U2K</b>	XM satellite radio	One hundred channels of digital quality sound that go wherever you go, coast to coast. Displays song title, artist and entertainment genre. Subscription rates apply. Available only in the 48 contiguous U.S. states. External antenna included. Body-color antenna on Convertible (Coupe antenna is black)	Available on Corvette models with the 1SB equipment group. Must be ordered in conjunction with either the (US9) or (U3U) sound system

### Quick Tips

- The (US8) sound system is the only sound system available for Corvette models with the 1SX and 1SA equipment groups
- The (U3U) sound system with Navigation option deletes the (US9) 6-disc in-dash CD changer and MP3 capability

## Options Explained: Sound Systems

### Available Navigation System with GPS and DVD Map (U3U)

This all-new sound system is available only with the 1SB equipment group and includes:

- 6.5-inch TFT EGA\* color touch-screen display
- Screen folds down for CD and DVD map access
- Voice recognition
- Turn-by-turn arrows displayed on Head-Up Display
- Supports multiple languages

*\*TFT means Thin Film Transistor, the latest type of flat-screen LCD panel available. EGA refers to Enhanced Graphics Adapter, a type of resolution format that determines the number of pixels*

### OnStar (UE1)

This safety, security and convenience feature is available on Corvette models with the 1SB equipment group.

One year of Safe & Sound Service includes the following:

- Automatic notification of air bag deployment
- Emergency services
- Roadside assistance
- Stolen-vehicle tracking
- Accident Assist
- Remote door unlock
- Remote diagnostics
- Remote horn and lights
- On-line concierge

### XM Satellite Radio

XM satellite radio is available on Corvette models with the 1SB equipment group (must be ordered in conjunction with either the US9 or U3U sound system).

This subscription service is expected to catch on in the same way as cable TV. With 100 channels delivering coast-to-coast sound fidelity, customers can choose from rock to urban to country and everything in between. And that's just the music channels. There are also channels dedicated to sports, news, comedy, talk and children's programming. Be sure to order XM radio-equipped vehicles so that your customers can see for themselves what all the excitement is about.

## Performance Packages/Axles

### (Z51) Performance Package

The Z51 package, available with all PEGs on both Coupe and Convertible, is designed for the performance enthusiast. The package includes:

- Specific shocks and springs designed for more control
- Larger stabilizer bars
- Larger, cross-drilled brake rotors (340 mm front/330 mm rear) and track-tuned linings
- Engine oil, power steering and transmission coolers
- Specific higher-grip Goodyear EMT tires with asymmetrical tread patterns
- Specific six-speed manual transmission with quicker gearing
- (G90) performance axle included with (MX0) 4-speed automatic transmission

### (F55) Magnetic Selective Ride Control

First introduced on the 2003 50th Anniversary Edition Corvette, this adjustable ride control system utilizes vehicle sensors and a software program to adjust the vehicle shocks for optimal damping on all four wheels independently. Includes driver-selectable Tour and Sport modes.

### Axle Options

Ratio	Availability
3.42, limited slip (GU6)	Standard on Corvette models equipped with the (MN6) 6-speed manual transmission
2.73, limited slip (GU2)	Standard on Corvette models equipped with the (MX0) 4-speed automatic transmission
3.15, performance ratio (G90)	Only available with the (MX0) 4-speed automatic transmission  Included with the (Z51) Performance Package with the (MX0) 4-speed automatic transmission

#### Quick Tips

The (Z51) Performance Package is not available with (F55) Magnetic Selective Ride Control.

## Wheels and Top Choices

### Wheels

5-spoke aluminum wheel  
Standard on all Corvette models

5-spoke polished aluminum wheel (QG7)  
Available on all Corvette models

### **REMINDER:**

All Corvette models, regardless of wheel choice, feature 18-inch x 8.5-inch front wheels and 19-inch x 10-inch rear wheels.

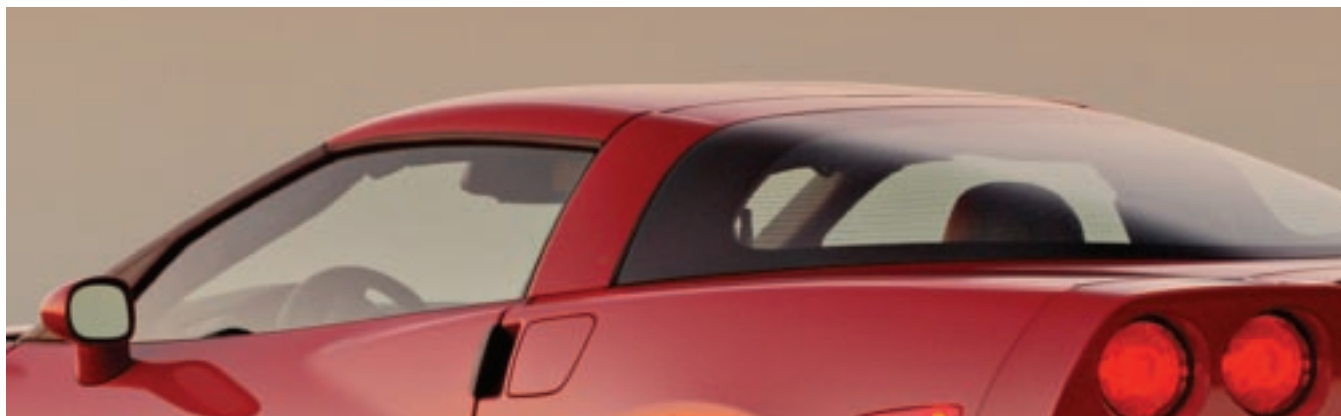

# 2005 Corvette Initial Ordering Workbook

## Top Options—Corvette Coupe

For 2005, Corvette Coupe is available with three removable hardtop options:

- The (CF7) body-color roof panel, which is standard on all Corvette Coupe models
- The (CC3) transparent roof panel, available on all Corvette Coupe models
- The (C2L) dual roof package, which includes both the (CF7) body-color and (CC3) transparent roof panels, also available on all Corvette Coupe models

## Top Options—Corvette Convertible

The Corvette Convertible continues to feature a manual convertible top as standard. However, for the first time since 1962, the Corvette will also be available with a power convertible top (CM7). The top works with an integrated tonneau cover and allows the driver to remain seated for quicker top-up and top-down operation.

*NOTE: The power convertible top is only available on Corvette Convertible models with the 1SB equipment group.*

## Corvette Exterior Color Palette

The Corvette is available in two new colors for 2005. Precision Red (27U) and Daytona Sunset Orange Metallic (71U) join the list to provide customers with eight exterior paint choices.

Arctic White (10U)

LeMans Blue Metallic<sup>1</sup> (19U)

Precision Red (27U)

Machine Silver Metallic (67U)

Black (41U)

Daytona Sunset Orange Metallic (71U)

Millennium Yellow<sup>2</sup> (79U)

Magnetic Red Metallic<sup>2</sup> (86U)

<sup>1</sup> Additional charge—premium paint

<sup>2</sup> Additional charge—premium tint coat color

## Interior Color Choices

Ebony (193)

Red (023)

Cashmere (313)

Steel Gray (363)
