VOLUME 35, No. 11

\$25.00 SUBSCRIPTION

WWW.COWTOWNVETTES.ORG

On Friday, May 9th, I was eagerly preparing my 1964 Corvette Coupe for the next's day car show at Bruce Lowrie Chevrolet. I was excited as I love to show off my '64. To me, the Mid Years were some of the finest Corvettes GM put out, at least I thought. I looked over at my 2004 Commemorative and told her I was just kidding. I assured her that she was also beautiful and that she would be at the next car show Cowtown Vettes would have, at least I thought.

Early Saturday morning, Cap (my roommate) and I loaded the '64 into the trailer and headed out to Bruce Lowrie. On arriving, we unloaded and parked the '64 where there was a space. It was with much difficulty that it coughed and sputtered and did not want to run. I thought to myself, I need to take this car out for a good run someday. I have owned the car for over five years and have put less than five miles on it, what a shame. Some members came over and told me, "You need to take that car out for a long run." Don't you just love it when one gets great advice? Oh, well, back to the car show. Once done with setting up the Vette, I went to get me a well deserved cup of coffee and a more deserved donut! While enjoying my coffee and donut I was shaking hands with all the members present and enjoyed some story telling; in my case, a bit of exaggerations and lies. You know, those stories of past when we and our cars were great.

I was brought back to reality when told by a fellow member that Nathan was looking for me. I went out searching for Nathan to find out what he needed. On finding him, he told me he wanted my '64 inside the showroom. Oh, no, I thought, I have to struggle again?? I finally got the '64 inside and parked her right in front of this

PRESIDENTIAL ELECTION

Although I missed the October meeting, we started the process of selecting our officers for next year. Positions that we will be voting on in December include President, Vice President, Treasurer, Secretary, Newsletter Editor, Webmaster, Board Member and Junior Board Member. The by-laws, on our website, have a summary of the duties and qualifications for each of these positions. We will be taking nominations from the floor at the November meeting, so be thinking about who would be a great choice for each of these positions. If you are interested in shaping the direction of the club over the next year, this is your opportunity. The more you get involved in the club, the more you get from it. I encourage you to pick a position that suits you and get someone to nominate you. You'll need to invest some of your time, but you'll also gain satisfaction from the work you contribute. November will be your last chance to get on the ballot before the voting at the December meeting.

Cowtown had a great group of people travel to Eureka Springs AR a few weeks ago. I think the total count turned out to be 19 members, with 9 cars. The weather was nice and cool, lots of Vettes of all types driving around town, lots of friends to visit with, and lots of winding roads to drive on. RED GREENFEDER and SAM CASTORANI brought home Autocross trophies, JOHN and JAN BREFCZYNSKI brought home a Car Show trophy and SAM CASTORANI snagged a trophy in the economy run. Sam, who used to be a professional Economy Runner, knew lots of little things to do to help gain mileage, and theY apparently paid off for him. The Breczynski's also brought a pretty fun game that we had fun with a couple of nights. We've been up there the last 10 years, and still enjoy going up there and enjoying the cool weather and seeing a small town taken over by Corvettes. And Karyn enjoys the many shopping opportunities that line the downtown streets. Our next big out-of-town cruise will be the Hill Country Cruise at the end of October. I hope you joined us for that trip.

By the time you get the newsletter, we will have had our 7th Annual All-Corvette Car Show. JOHN and JAN BREFCZYNSKI and their committee have been working hard rounding up sponsors and getting everything set up. From the weather forecast, it looks like we will have weather as good as we had for our two Autocross events. There are rumors that Tulsa Vette Set may be bringing as many as 20 cars down for the event. Last year's event was the biggest up until this year, and we're hoping 2008 is even bigger and better. I'll be looking forward to the recap at the next meeting.

Our next meeting is November 7. I'll see you next month.

Don Fowler

ATTENTION CTV MEMBERS

As set out in CTV's Standing Rules, Policies, & Procedures:

"AN OUTSTANDING MALE/OUTSTANDING FEMALE Member award is presented annually to the male and female that are considered to have helped the Club and been very active that year. It is not a popularity contest. Balloting for this award is done three times a year: at the April, July, and November monthly membership meetings. Votes are taken by secret ballot. The awards are presented at an Awards Banquet. These members will be refunded their Primary Club membership dues for the following year."

The third ballot will be distributed to all members attending the November 7 membership meeting.

Take a moment to think of the male and female who you feel have helped the Club the most this year, along with having been very active during the year.

PARDON FROM THE NCCC GOVERNOR

Great job, Cowtown, with our NCCC event at Texas Motor Speedway. I received a lot of compliments on your behalf at the Southwest Regional Governors' Meeting in Waco. Way to step up for three days of hard work!

RENEWAL * DUES * RENEWAL ...

Again you'll be hearing from me about dues. I will be collecting the renewals which includes your dues for both Cowtown Vettes and NCCC. For most members, the renewal fee will be \$62 (couple) or \$42 (single). [There are exceptions for families with dependent members and for NCCC Lifetime Members.] The deadline for renewal is the November CTV Membership Meeting, November 7, 2008. After that a \$10 late fee is added. There is some confusion about the amount to be paid for a renewing couple: it is \$62 (not \$104). Renewal forms are in The Low*Down or get one at the membership table. Please get it to me at the meeting or send it via U.S. Mail. Completing the form allows you to give us any address changes, etc. plus it helps me keep straight where the money is from. If you have any questions at all about dues or renewals, please give me a call. I usually have time to call or eMail folks with a last minute reminder. This year our November membership meeting falls relatively late and very close to my deadline for turning in the renewals to the Regional Membership Director (RMD), so I probably won't have time for a friendly reminder.

The observant reader will notice the above renewal pitch is a repeat of last month's. That's 'cause I figured I couldn't say it any better. But, we're getting down to those two little words I hate to hear, "Last call!"

What's Coming Up

- 11-21/23 ... 7 low speed Auto-Xs & 4 high speed Auto-Xs at Grand Sport Speedway (Hitchcock TX) That's south of Houston. Hosted by SJCC & COAST. A First Choice weekend.
This is rescheduled from September due to Hurricane Ike.

NCCC Southwest Region News

I attended a regional governors' meeting in Waco on October 4. Some of the highlights...

- Our 2009-2010 regional officers are Cheryl Surdick, continuing as regional membership director, and Joe Reese as our Regional Competition Director.
- Regional points are posted on the Southwest Region website.
- There will be a number of competition rule book changes for 2009. This information is posted on the national website.
- The NCCC Southwest Region Larry Kolb Scholarship fund is still healthy. Make it a point to pursue a regional scholarship for yourself or a dependent in 2009.
- The 50th anniversary pins were discussed.
- The Southwest Region treasury is quite solvent.
- There was sentiment at the September national meeting to present a special tribute to Emory, the bartender who worked the Convention hospitality room this year in Tulsa. (If you were there, you know why he deserves recognition.) The Southwest Region Convention Committee will be presenting him with a plaque featuring the convention design.

The By-Laws also state the nominee should have attended 2 or more Board meetings.

COWTOWN CRUISER

The Hill Country Back Roads and Winery Cruise is taking place after this article is due so we won't have photos and details until the next issue. At this time we have fifteen cars and thirty people signed up for the cruise, almost three times as many as last year. This year the 17th Annual Wine & Food Festival is going on in Fredericksburg so it will be a busy town this year.

Our 2008 CCP Competition Year comes to an end next month. The last day to collect 2008 Cruiser Points is **Sunday, November 17th, 2008**. Please forward your 2008 Cruiser Log form via email or US Mail on Monday, the 18th. If you need the CCP spreadsheet or have questions, please contact me.

Your corresponding photos can be delivered to me in person as soon after the deadline as possible. There seem to always be a few last minute photos from that last weekend that folks need to get printed so I'll work with you on syncing up for delivery of them. At the November Membership Meeting I will bring some of the previous year's submissions for you to look at. You will find a guide on our website that will help you get started.

As soon as we receive the photos, we will validate the log sheet entries so we can determine this year's winners. At the Annual Awards Banquet, we present the 1st, 2nd and 3rd place awards along with Participation Awards for anyone reaching the Gold, Silver or Bronze participation levels; this would be 35, 50 and 75 points respectively.

Looking back at the amount of participation on just the club sponsored cruises, there are 25-30 members that would have a bronze award, even if they didn't do any cruising on their own - if they turn in the log sheet and photos - are you one of them?

There will also be several opportunities during the Hill Country Cruise as well, not to mention there are still a few socials and NCCC events, etc. that add points to your annual tally of points.

Speaking of the CCP Participation Level Awards, we are still looking for other options, rather than the embroidered patches we have used in the past. I think everyone will like the options we are considering this year.✍

There is more information on cruises and the program is located on our website; check here for the latest info on all sponsored cruises:

http://www.cowtownvettes.or/CCP/cruierpgm.html#2008_CRUISE_SCHEDULE

If you need an electronic log sheet (Excel spreadsheet) to enter your cruiser points, contact me and I can email that to you. If you don't know how to get started in the "Cowtown Cruiser Program," give me a ring or catch me at a meeting and I'll gladly discuss it with you.

Annual Photo Contest: The "What You Saw Along the Way" Photo Contest only has one month remaining - it is not too late to still capture a photos while you are out cruisin' with your Vette.

These photos will be displayed and *voted on by Members at the November Membership Meeting* - it is a Member's Choice contest where YOU the members select the photo you like best! If you have photos that don't fit the criteria of the contest but that you would like to share - we will have a board for those to also be displayed on during the meeting.

You will find the rules for the contest on our website.✍

NOVEMBER CENTERFOLD ~ CONT.

beautiful, and I do mean beautiful, 2008 Limited Edition Z06. As I was setting up my display, I kept glancing over at that beauty. I looked up and there was John Brefczynski. He said, "Look at that beautiful car." Yes, John, I've been looking at it for the last 10 minutes. John continues, "Now that is the car you should buy, not the ZR1 you may never get. There are very limited numbers of the Limited Editions and there will be many numbers of ZR1." I thought to myself, John is right for a change. "Besides," John continues, "the price of a ZR1 is going to be much higher and the chances of getting one are slim. Don't let this beauty behind you slip through your hands," as he walked away.

When I finished setting up, I went over to that beautiful crystal red Z06 and took a closer look. WOW!!! She was beautiful! I opened the door and sat down and closed my eyes and dreamt. I was brought back to reality (again) by Nathan's voice. "Hector, this car belongs to you. Think of all the women that will chase you when you are driving down the street." Yeah, sure, I thought to myself, I have two beauties now and I don't see any women running after me. "I'll think about it," I told Nathan. He said, "Don't think too long, there is someone already very interested in the car." Typical salesman talk I said to myself.

As the morning went on, I kept looking at the car over and over again. Other members were coming over and repeating the same thing, "That cat belongs to you." I kept looking at that price and thinking, "Wow, that car payment is going to be healthy. Why would I want to get into debt again?" Finally, I rationalized that I was willing to buy a ZR1, then why not this beauty. I saw Nathan and I flagged him over. "Let's talk" and Nathan's eyes got as big as a baseball. "Yes, let's talk," he said with a big smile.

I followed him into his office and we talked, and talked, and talked. The stopper was the price of trade in that Nathan, or, should I say, Nathan's boss was willing to give me for my 2004 Commemorative. By then, word had gotten out that I was negotiating for the Limited Edition. Doug McMahan came over to me and told me he wanted to take a picture of me in front of my new car. Boy, word sure did spread fast!!!

I finally decided not to trade my Commemorative and give a down payment instead. I knew I could sell my Commemorative for much more than Lowrie was offering me. A deal was finally made (Thank you, John!) and, by the time the car show was over, I was the proud owner of that beautiful number 253 Crystal Red Limited Edition Z06. That afternoon, the club went over to Babes to enjoy good food and camaraderie; again, with the stories and lies....

Cap and I went home to drop off the '64 and went back to Lowrie's to pick up the new addition to my family. I drove the '08 home and Cap drove the Commemorative home. When we got home, he then started to think about buying my Commemorative. For a short time, I was the owner of three beautiful Corvettes. All in their own way are the best and most beautiful, although I am really loving the '08, and so I never thought.

What happened to my Commemorative, you ask? Go see Craig Murphy, he'll tell you. Better yet, read the August Newsletter.

BARB APPRECIATES YOUR VOTE

I would very much appreciate your vote for Secretary in the upcoming club elections. I've been an active member of the Board this last year and would like to continue representing you. Thank you for your support. Your vote counts!

I'm *Barbara Greenfeder* and I approve this message. 😊

VOTE FOR CINDY MORRISON FOR BOARD MEMBER

Those who know me know that a very important part of my life is having fun. I believe that's also one of the most important parts of being a member of Cowtown Vettes. Cowtown is a wonderful club with great members and activities for everyone. As a board member, I will continue to work on behalf of the membership to insure we continue to have new and exciting activities and socials. Outlined below are some of the things I have accomplished as a member.

- I have received 100% award each year that I have been eligible. I am proud to receive the award but, more importantly, I'm thankful that I have had the opportunity to enjoy and participate in club activities.
- I have held the office of Cowtown Treasurer in 2007 and 2008.
- Along with Red Greenfeder, I received the 2007 Charity Award. In addition to my continued support of Cowtown Charities, I was also among the Top 20 Fund Raisers for the 2007 Race for the Cure that was held in Fort Worth. In 2008, I focused my Charity efforts on the NKF. Along with the assistance of several other members, we raised \$2,299 for the North Texas NKF.
- Bob and I received the 2007 Governors Award. Bob and I were recipients of the award because of the huge success of the 11th Annual Super Speedway Weekend. I also assisted the Weekend Coordinators in the planning of the 12th Annual Super Speedway Weekend. This was a record breaking event. My focus on the event was making it fun for our participants and members.
- I have also served on the following Committees: 30th Anniversary Planning Committee, Audit, By-Laws, NCCC Event; I'm currently serving on the 35th Anniversary Planning Committee and the By-Laws Committee.
- I have spent almost two years as an elected officer and, in that length of time, only a couple of members have talked to me about things they would like to do or have changed. I did bring both issues to the Board and the Board passed both. If I'm elected to represent Cowtown Members on the Board, representing you is exactly what I will do. I encourage all members to talk to Cowtown Elected Officers, regardless if it is me or not. I hear all so often "This is your club." This is YOUR club and each and every member's opinions and suggestions are important; however, you have to speak to your Elected Officers to be heard. I will listen and will do my best to make the changes the membership wants. If you don't want any changes ,I'd be happy to hear that, also.

Please feel free to contact me at cinbob75@charter.net prior to the election with questions or comments. Thank you for considering me for 2009 Board Member.

WEBMASTER

Our Website... As you can tell from our website, October has been a VERY BUSY month. You can find the latest information on upcoming CTV, NCCC event links, along with many other events listed on the *Misc Car Shows and Competition Pages*. Typically, there is some kind of maintenance, updates, etc. on our website each evening, not even counting the event pages. The event pages are tough to keep up, since each event page takes a couple of hours to create by the time you select and massage the photos, then get all the captions and such entered. ...and sometimes, work gets in the way and it takes a week or so to

get time to even work on the event pages. If you are curious as to what has changed recently, the *Site History* page is your answer.

This past month, we added event pages for our CTV/BRCC (8 pages), the NCCC events in Waco (2 pages), the BRCC Car Show (1 page), the CCT 50th Anniversary Party (1 page), the TV NCCC event at Mineral Wells (1 page) and the Texans Against Crime night out (1 page). The Want Ads have been fairly active along with a few member Vettes added to the Member Vette pages - *is YOUR VETTE on there?*

We do welcome event pictures and information for use on the website and in the *Club Scrapbooks*. Additional event photos were provided by DOC LAMBERT, RICHARD DOWNING, VIRGINIA LITTLEFIELD and the McMAHANS. Please remember, it is never too late to provide additional photos for either our website or the *Cowtown Scrapbooks* - you can even upload them to the web instead of taking time to burn a CD or email them - contact me for details.

2009 OFFICER & BOARD POSITIONS

The following is provided as an aid for the Members to know which CTV officer and board positions are up for election for the 2009 calendar year.

Clicking on the Candidates name (once they have accepted) will show you a picture of them - if there is a Bio which has been provided by the candidate there will be the letter "Bio" after their name - click on it for their Bio (Adobe PDF format)

You will find the **Election page** that is posted annually for you, the members. It contains a list of all nominees for next year's CTV elected officer positions. This is maintained using a list provided by the Secretary who polls the nominees to obtain their answer on becoming a candidate.

If a candidate has accepted the nomination, a photo of them is linked to their name. If they provide a Bio, it is linked to the right of their name - click the word Bio and it will be present to you in a window.

This page lists all nominees which have declined (D), those who are undecided (U), as well as those, who were nominated for positions that they are not qualified for (marked w/an X)

NATIONAL CORVETTE MUSEUM

2009 Victory Red Corvette Coupe Raffle

The National Corvette Museum has begun a Corvette raffle fundraiser featuring a 2009 Victory Red Corvette Coupe. This Corvette raffle car features the 3LT package, polished wheels, performance axle, NPP exhaust, glass top, automatic transmission, and ebony interior. The winner will be drawn on **Thursday, January 8, 2009 at 2:00 p.m. CT**. Tickets are available at **\$10 each** with an unlimited number of tickets to be sold. I will be turning my tickets in after the December membership meeting.

The winner of the new Corvette will also be able to take part in the Museum's highly requested "R8C Museum Delivery Program" which provides a private "VIP" tour of the Corvette Assembly Plant and Museum, a hands-on demonstration by a trained NCM Delivery Team member and includes a one-year Individual Membership to the Museum. In addition, an "R8C Delivery" decal and plaque exclusive to only Museum Delivery Corvette participants will be presented to the winner. R8C deliveries are viewed world-wide via the Museum's webcams.
