PRESIDENT'S REPORT

I want to congratulate Doug McMahan & David Gill (CTV's NCCC Event Chair & Co-Chair) and their committee for a successful Annual Super Speedway Weekend at Texas Motor Speedway. It was hot, but everyone had a great time and lots of fun.

This year's excitement is not over yet, Phil Higbee and John Armes (CTV's Car Show Chair & Co-Chair) and their committee will be hosting the 9th Annual All Corvette Show this month. Phil and John are expecting a large turnout and will need all of your help.

As of September 16th, our Club has an open position for Low Down Editor. Per Cowtown Vettes by-laws 7.0; it is the Presidents job to appoint a member to perform the duties of that office for the remainder of 2010. If you have an interest in holding this position, please call or e-mail me. The Club will supply the software to complete the Low-Down.

VICE-PRESIDENT'S REPORT

Our August 100% social was a pool party at Larry & Sylvia Hoaldrige's house, with dinner provided by Freeb!rd's World Burrito. I really enjoyed it, but I am interested in your opinion, so we'll know whether or not we should use them again sometime down the road. Larry, your World Famous Firehouse Banana Pudding was out of this world! A BIG thank you to Larry & Sylvia for opening your home and your beautiful back yard & swimming pool to us!

Well another SUCCESSFUL TMS event is behind us! As the Timing Chairperson, I want to thank Gary Hanna & Gwynne Horton for allowing us to use their travel trailer as the "timing trailer" for the event. I also want to thank my "timing helpers"... Donn Beck, Kerry King, Kim West, & Mo Wheeler (and Rick Garabedian for his help with setting up the timing lights). I could not have done it without you all!!

Our next 100% social event is our Annual All Corvette Car Show on 10/16. If you are not already signed up to be a participant or a worker, I'd like to encourage you to do at least one of those... preferably both! You can find more details about the Car Show on the website or in last month's Low-Down.

Our November 100% social will be a Progressive Dinner on 11/6 in the Eastern Parker County area (Willow Park, Hudson Oaks, Weatherford). The first stop will be at the home of Robbie & Carla Schneider for appetizers, then the main course will be at Jim & Donna Forsythe's home in Willow Park. Finally, we'll travel to Don & Virginia Littlefield's home in Hudson Oaks for dessert. In addition to bringing an appetizer or dessert (based on the below chart), the cost is \$6 person (\$12

per couple) which gets you a brisket and smoked turkey dinner with all the trimmings! A map & directions to the Schneider's home is included with this email and we'll have maps to the other two homes available the night of the dinner. I won't be at the October membership meeting, but PLEASE give your money to Donna Forsythe at the October meeting, otherwise you will need to mail your money to her so she receives it no later than October 30th... the November meeting will be too late!!

If your last name begins with M-Z, bring an APPETIZER

If your last name begins with A-L, bring a DESSERT

We don't have an official 100% social in December, but believe me when I say you will not want to miss the 2010 Awards Banquet and Christmas Party on December 11th at the Lonestar Clubhouse Condo at Texas Motor Speedway (same location as previous years). The dinner is being catered by Reata again this year, but the menu will be slightly

different in that you will have three entree choices... a Traditional option, a Holiday Special option, or a Vegetarian option. The cost is \$35 per person / \$70 per couple for Cowtown members (\$45 per person for non-Cowtown guests) and I will be collecting your money at the November membership meeting. By then, I will have the menu selections finalized and will send out a separate email with your selection card prior to the November membership meeting. I'll be in Eureka Springs for the October membership meeting so I'll see you at the Car Show!

GOVERNOR'S THOUGHTS

It's that time of year again! RENEWAL TIME! I know you will want to continue to be involved in this outstanding club; and all the fun we have as a "large extended family". We came together for our love of the "Great American sports car" and have stayed because of the friends we have made combined with all the comradery.

I will not be at the October membership meeting, so please turn in your form and payment to Membership; they will pass it on to me to complete your NCCC renewals into National Council. Payment must be received by November 1 or a \$10 late registration fee will be applicable.

September National meeting in St. Louis was a very busy series of meetings, with candidate nominations and proposed bylaws and rulebook changes. I will touch on the highlights of these at a later date.

We hope that you took the opportunity to come out to TMS to help us host the *14th Annual Super Speedway Weekend*; Cowtown hosted a first class event!!!

October brings car shows and racing events every weekend. Check out the Cowtown website for details. Speaking of car shows, one of the agenda items for the October SWR Governor's Meeting will be on Car Shows; to add a page to our SWR Website for clubs to list their car shows; even if not sanctioned.

COWTOWN'S SEPTEMBER NCCC EVENT @ TMS

We would like to thank ALL of you that came out to help host the 14th Annual Super Speedway Weekend at Texas Motor Speedway; September 17th thru the 19th.

We heard lots of great comments from our guests, some stating that *"this was the best NCCC event that they had ever had the pleasure of attending."* Others commented on the *"excellent hospitality and fellowship of the Saturday Evening festivities"* while others liked the course layout

"something new that challenged their driving skills" So, all of us should be proud of the work you did in making this event a great success!!!

We had three Novice NCCC Competitors on Saturday and three more on Sunday which

were not NCCC nor club members.

We are still finalizing the expenditures, including the actual cost of the facility so we hope to have the final income numbers out to you soon.

I would like to provide a high-level recap of the event since we won't be at the October Membership Meeting; especially for those that weren't able to make it out to the event.

Friday, we started around 3pm at the NEXTEL garage getting things setup; with rigs starting to show up around 4pm. We took possession of the road course promptly at 5pm to start setting up the course and corner worker stations. Registration and Tech started promptly at 6:30pm with two tech lines and a great group working to competitors registered and their Vettes teched.

Saturday morning, we started with registering and teching the entrants who didn't show up on Friday night. The Driver's Meeting at 8:30 followed by course drive thru with the first car out was promptly at 9am, as advertised. We had a few timing and printer issues but no major delays of any kind on Saturday; completing six autocrosses by 3:32 pm. We opted to call it a day to let everyone get back to relax, take a swim and relax before the evening activities. Entrants in the event ranged from a very nice '66 coupe all the way up to a ZR-1 and every Vette variation in between.

Saturday Night, Phil & Barb had lined up a chef prepared and catered Mexican dinner that was amazing. They had prepared the breakfast room of the hotel where it looked like a nice Mexican restaurant; chef Manuel Vasquez visited with anyone with questions as they came thru the buffet line. He had even prepared fancy deserts complete with great presentation, as you can see from the photos.

Following the dinner, we presented the Fastest Time of the Day (FTD) Awards; where we had more than one man or woman in the group.

Novice: **Fred Proctor** (CTV)

Group 1S: **Bonnie Goodson** (OCCC) & **Jim Hollinsworth** (NTV)

Group 1: **Eileen Fox** (TV) & **Bob Schnieder** (OCCC)

Group 2: **Cindy Morrison** (CTV) & **Johnny Gann** (OCCC)

Group 3/RP: **Jeannie Stuart** (OCCC) & **Joe Reese** (TCCC)

Following the awards, Sylvia took over with the NKF Charity Raffle and Auction. We had a great selection of items for the raffle and raised over \$2100 not counting one remaining auction item that will be auctioned at the Nov. Meeting. Please see Sylvia's article for a breakdown of the NKF Charity part of this event.

Sunday we started the day with laps on the Oval at 7:30am for anyone that wished to participate. The Driver's Meeting was held at 8am followed by a drive thru for the five new competitors of the day. We started the day's competition promptly at 9am and we would have been finished noonish, if Chris Gann from OCCC hadn't slid broadside thru the timing lights at the finish line; destroying the timing head and cable. This halted the event for about thirty to forty-five minutes while we rounded up spare equipment to get back up and running. The last car of autocross ten returned to the garage around 1:30 pm; which was still darn good for a day of four autocrosses at this track.

The event was now over and the team worked diligently to teardown and repack all of the equipment back in the club trailer. We also found time to wind down, relax and visit afterwards before we all headed on home.

I would like to thank the following **Functional Chairpersons**:

Auto & Safety Tech – **Robbie & Carla Schneider**
(stepping in for Paul Meyers due to illness)

Club Equipment – **Hector Sandoval**

Corner Workers – **Karyn Fowler**

Coarse Setup & Teardown – **David Gill**

Friday Night Hospitality – **Phil & Barbara Higbee**

Oval Laps – **Rick Garabedian**

Pre-Staging – **Cathy Anthony**

Registration – **Donna Forsythe**

Rig Parking – **Jim Forsythe**

Saturday Night Dinner & Hospitality – **Phil & Barbara Higbee**

Staging – **Don Wells**

Starter – **Scott Wheeler**

Timing – **Candy Beck**

Timing Boards – **Glenda McMahan**

Timing Equipment – **Donn Beck & Kevin Anthony**

TMS Liaison – **Rick Garabedian**

While they weren't functional chairpersons, I would like to thank **Gary Hana** and **Gwynne Horton** for loaning the club their camper (and generator); which was utilized as the "Timing Facility" all weekend. They also donated some large drink containers which they kept filled with ice water and water containing electrolytes to help folks combat the heat.

I would like you to also recognize all of the workers that helped at the event; most of which are not autocross competitors at all - which shows that Cowtown is comprised of a great group of individuals that will step up to do what it takes to make our club successful!

Please see our website for full coverage of this event!

Again, Thank You all for your hard work and efforts to make this event so successful!

Thanks

Doug McMahan & David Gill

WEBMASTER

September was a relatively quiet month for website maintainance since we held the only NCCC event for the month and our event was the 100%er event for the month as well.

Since the September newsletter, we have added four new event webpages containing over several hundred images/photos providing event coverage of our TMS NCCC Event. The photos were contributed by Fred & Margaret Proctor, John Dick, Raley & Jo Anne Smith and ourselves.

Do you have a desire to be Cowtown's 2011 Webmaster? If so, have someone nominate you at the October or November Membership Meeting. This also goes for the rest of the offices that we are taking nominations for to fill the 2011 Officer & Board positions. We are a volunteer organization and we welcome you to step up and pick your passion; the club needs good workers to keep it going strong. You can find the job descriptions and qualification requirements on our website as well.

As nominations are taken and accepted, those candidates will be placed on our website. If a nominee declines, their name remains on the web but a D is placed by it so you know who has declined a nomination; so that they don't get re-nominated. Candidates have the opportunity to provide their Bio which will also be linked off the website.

Cowtown Email Lists: If you change your email address, mailing address, your Vettes, etc., please let membership know so that your address can be updated in the Membership Database along with the various email lists. Please send any updates to: ctv-membership@yahoogroups.com

If you have suggestions, questions or comments about how we are managing our Club's website, please don't hesitate to give me a shout. I also encourage you to shout if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of the website.

COWTOWN CRUISER

Our next day cruise will be held on Saturday, November 13th, so RSVP and come join the fun; details are on our website. The cruise will start with a mid-AM departure, enjoy cruising some back roads, grab lunch then we visit the "Roadside America Museum" The Museum is housed in a 100 year old Ford Dealership which has been renovated and now houses a fabulous collection of classic advertising memorabilia, cars and nostalgic memories. It contains numerous vehicles, one of which is a 1967 Corvette L79 coupe not to mention hundreds of collectible items from the 40s, 50s, & 60s' along with very rare items help to take our older visitors "back in time". They stated that visitors seem to enjoy being reminded of a slower and simpler place in their lifetime. It also serves as a history lesson for those of the younger generation not fortunate enough to have been a part of that slower era.

You might ask "I really enjoy cruising in our Vette but what is this Cruiser Program all about?" the answer is that it is just another form of competition; for those that like to cruise in their Vette. The cruising can be done individually, in small groups or the focus cruises like the ones mentioned above. Some folks capture cruiser points while cruising to NCCC Competition events, out of town car shows, club socials and then when they take short trips with their significant other.

If you are gathering points for this year's competition and you don't have the electronic log tracker (*Excel* spreadsheet), contact me and I will send it to you. There is still plenty of time to be an active cruise participant for 2010; there is still enough time to earn a bronze, silver or gold level participation award. When a 'sponsored cruise' is booked, it will be placed on the 2010 cruise schedule, you can find them on our website at:

The 6th Annual Cruiser Photo Contest is coming to an end however, there is still time for you to capture photos from neat places your Vette took you in 2010. To compete in this contest, you don't even have to participate in the Cruiser Program. If you have taken a trip in your Vette you surely have a photo of it somewhere neat ... it can even be a group of Vettes at somewhere neat – gather your three photos (per person) and have them ready for the November Show; where your peers will vote on the photos. The winner(s) will be recognized at the Annual Cowtown Awards Banquet on December

11th. Check out the contest information at: http://www.cowtownvettes.org/CCP/2010/CCP_PC_10.html

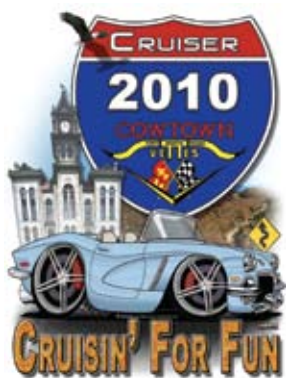

If you have an interest in being the 2011 CCP Chairperson, please contact me and I will share my experience around this club function.

If you would like clarifications, or if you have a question or comment about the Cowtown Cruiser Program (CCP), please feel free to give me a call or drop me an email.

CORVETTES FOR NKF

THERE IS ONE REMAINING AUCTION ITEM FOR THE NOVEMBER MEMBERSHIP MEETING, with the proceeds to also be added to the above dollar amount to the NKF.

PRIVATE TOUR & TASTING for up to TEN PEOPLE at Lone Oak Winery, value \$100
