PRESIDENT'S REPORT

A month ago, I was checking the club calendar (both) and it appeared that Cowtown was entering a less busy couple of months. NOT! Many of us are leaving for convention in just a few days of this writing. Having been once before and NEVER having been to Bowling Green, I could not pass up this year. That will keep the attendees busy. Four days after our return, we will be in the July 4th parade. If you have questions about the parade, I am confident that Carole Savage will be happy to clarify any "mysteries." The day

after the parade is the membership meeting and, if that isn't enough for you, the day after the membership meeting (Saturday, the 6th), Streetside Classics is having their monthly open house (5:00-9:00p). July 13th is the Bruce Lowrie exhibition where we get to help BL with their open house and show appreciation to our platinum sponsor. Participation times for the BL exhibition are from 9:00a - 1:00p. More info on this event is forthcoming. July 20th is our 100%. Carlanne explains that event in her article. This is one of the busiest July's I can remember in my six years of membership. August has some happenings as well.

Committees continue to meet and plan our upcoming events, the most significant of which are the September autocross at Texas Motor Speedway and our October Car Show in the Hulen Mall area. If you would like to participate in the planning and/or execution of these events, please contact Rick Watson for the autocross and/or Jack Gandy for the car show. I am confident they could use your help. As I have stated repeatedly, this club exists on the generosity of its membership. It never costs money to work. All we need is your time and your back.

For those whose time, talent, and energy keep this club entertaining to current members and attractive to prospective members, I want to thank you for all of your hard work, the likes of which cannot be accurately quantified. However, it is appreciated.

David Gill

Cook Children's Hospital Video Shoot - Doc Lambert volunteered to support this event and provided his 1962 Almond Beige CRC - also known as "Ann".

Shawn Griffith, Broadcast Studio Producer at Cook was producing a video in celebration of employees that had 5 yr anniversaries with the Hospital. They ranged from 5 yrs, 10 yrs, and every 5 years up to one who celebrated her 45th year! The video was taken at four different sites there on the Hospital grounds; the playground, the heliport, and the two with the cars - the lawn and the discharge area. Along with Ann there was a 56 Chevy and a period Chevy pickup. The celebrating employees were divided up to support the four different locations.

Shawn had hired three professional girl dancers to motivate and lead the employees as they dance among the cars to music from the 50's and 60's. Several shots and "takes" were accomplished during the two days. Day one was delayed due to rain. I supported them with car placement and then just watched the photo shoot. At times I thought I was back in the military - "hurry up and wait"!

Outstanding Male & Female Member Vote

The next vote for outstanding Male & Female Members will take place at the July Membership meeting. AN OUTSTANDING MALE/OUTSTANDING FEMALE MEMBER award is presented annually to the male and female who are considered to have helped the Club and been very active during that year. It is not a popularity contest. Balloting for this award is done three times a year: at the April, July and November monthly membership meetings. Votes are taken by secret ballot. The awards are presented at an Awards Banquet. These members will be refunded their Primary Club membership dues for the following year.

100% ELIGIBLE THROUGH JUNE

The following members are still eligible for the 100% award through the end of June. To qualify for this award, an individual or couple must attend 11 out of 12 membership meetings in the calendar year and 9 out of 10 100%er events (as reported by the Social Chairman) from February through November. VICE PRESIDENT REPORT

The No Frills Autocross was held June 1st and 2nd at the Mineral Wells airport. It was the 100%-er event for June and was well attended. A big THANK YOU goes out to everyone that worked or participated to make it such a success. We could not have had such fun without you! There were 37 racers from Texas, Oklahoma, Louisiana, and Iowa. Three Cowtown members raced as novices—Gene Price, Michelle Aggas, and Cindy Malcolm. If you've never run in an autocross you might ask them about their maiden voyages! The weather was perfect both days which added to the enjoyment.

Competition was really stiff within several groups for both men and women. Times were checked, strategies discussed, and tires were adjusted to see if the leader would change in the next event. Workers and competitors had time to socialize Friday and Saturday evenings.

With days getting hotter in July the 100%-er will be an inside event with lots of good food and great entertainment. Breakfast and a Movie is fast approaching so payment will definitely need to be made at the July meeting or can be mailed to me at 1901 Florance Ann Lane, Haslet, TX 76052. The cost is \$24.00/person. I have been assured that Red-2 is still on track for our showing on July 20. The Movie Tavern is in downtown Fort Worth at 2872 Crockett St. Parking is in the garage across the street and is free with your attendance at the theater. There's no need to dress-up or eat breakfast to attend this event. Please arrive around 8:15am to have time to park and find the theater so we can start eating at 8:30AM. Eat well, relax, and enjoy the show!

Have you ever wanted to just be a kid again? Wanted to just have a day of fun with your friends? Well you CAN in August! On Saturday, August 24, the first annual (maybe) Bent Club Putt-Putt Golf Tournament will be held at Putt-Putt Golf at 609 N. Loop 820 in Hurst. It will be the 100%-er event for August. Golf will start at 9:30AM and teams will be designated by lottery beginning at 9-9:15AM. Teams will start at different holes to make the tournament go faster so we have time to play on the other fun stuff. Your \$15.00 fee covers the golf and 3 other activities of your choice. All you autocross racers can try your hand at go-cart racing to see who the best driver is for the day. Remember bumper cars? How about bumping your friends on water in a bumper boat? Come be a kid again and enjoy the morning with your Cowtown friends.

Looking ahead for fall, the 100%-er event for September will be the 17th Annual Super Speedway Weekend at Texas Motor Speedway on Sept 21 and 22. If you enjoyed Mineral Wells you'll really enjoy TMS! You will have the opportunity to drive laps on the oval track on Sunday morning before the autocross events start. Now that's not something you can do just any day! The October event will be the car show on Saturday, October 16. More details for these events will be provided. Workers and participants are needed to make both events a success for our club. Guests from other clubs will be attending these events and we want to make them feel welcomed and have a good time.

COWTOWN CRUISER

Upcoming cruises include:

August 10-18, 2013 Doug and Glenda will host a week long cruise that will include (1) run the Tail of the Dragon, (2) driving the Cherochala Skyway, (3) visit the Biltmore Estate, (4) run the Moonshiner 28 and (5) may include parts of the scenic Blue Ridge Parkway. This cruise was limited to ten couples due to the logistics of a cruise this long.

September 07, 2013; Carol Savage and Jim Jones are planning a "Lonesome Dove" cruise focusing on historic sites of Charles Goodnight and Oliver Loving. The cruise will cover roads west of Fort Worth and include the community of Zion Hill (CTV cruisers can get the rare letter Z) and with a possible lunch at the Steak Shed in Graford. More details to follow. Date to be determined, Carlanne and I are working on a possible cruise to the Texas Rangers Hall of Fame and Museum in Waco.

Please check the Cruiser Schedule <http://cowtownvettes.org/CCP/cruisersch.html> for upcoming cruises and last minute changes and please remember that CTV guests and "tin cars"

NCCC EVENTS

CTV and CCT held our No Frills Autocross on June 1st and 2nd. The weather once again was almost perfect. We did get a few sprinkles Saturday just after we finished our lunch break, but not enough to even wet the track. The temperature for June was even mild. We had a total of 37 competitors. Of these, three were first time racers: Michelle Aggas, Cindy Malcolm, and Gene Price--all from Cowtown.

Cowtown members once again stepped up to make this event a total success, and this was noted by the drivers. I would like to thank all of the volunteers who came out to work Saturday. If I tried to name everyone, I know I would forget someone; however, I would like to recognize the chairpersons:
Carlanne Hickman - Registration
Doug McMahan - Course setup and design
Tony Sokoloski - Corner workers

Bob and Cindy Morrison - Staging

Scott Wheeler - Starter
David Gill - Safety and Tech
Candy Beck - Timing
Glenda McMahan - Timing Boards
Donn Beck - Timing Equipment
Don Littlefield - He delivered the club's trailer Friday night and picked it up Sunday night. He also provided all the ice used to keep the water cold for all the drivers and workers, and he transported the water used to anchor the corner workers' tents from blowing away.
Donald Hickman - He picked up and returned the jet blower used to clean the track, picked up and returned the timing trailer to Carswell Air Reserve Station, and provided the generator and fuel for the timing trailer.

For 2013, the remaining CTV event below is listed on the [SWR 2013 Schedule](#) - please mark your 2013 calendars.

September 21st & 22nd (Saturday & Sunday) - the 17th Annual Super Speedway Weekend at Texas Motor Speedway - Location: Texas Motor Speedway

You can make your reservation with Hampton Inn & Suites for the September TMS event. Just go to the Club's website and click on the link. This is the hotel we have used for the past several years. We have a block of 60 rooms: 40 standard rooms for \$89.00 per night and 20 suites for \$109.00 per night. This is the same rate as last year.

WEBMASTER

The 2013 year has already been a busy one if you peek back at the event pages for the first half of the year. Since the last report, we have added event coverage for four events consisting of eight event pages and over 450 photos not counting the 300+ photos in flash slide-shows. The events added were the Hallett NCCC Regional Event, the Twisted Hill Country Cruise, the Spring Autocross Scramble and the Volunteer Night at the TAFB. We would like to thank Raley & Jo Anne Smith, Fred Proctor, Carol Savage, Bill &

Jane Buehler, Doc Lambert, Virginia Littlefield and Cydnie Geyer for their photo contributions on events which greatly added to the photos we provided. With that said, we are still missing photos from two NCCC events if anyone has photos they can share. So, please don't forget your camera when you go out to enjoy any of the many events available, regardless if it is a club event or something you went and participated in we do welcome YOUR photos!

Website Photo Requests : we would like to add photos of your Vette to the Member Vette pages linked at the top of our website; as James Blasé just did. For those that served our country, helping to keep America proud and free; we have a webpage where members can share photos from their service. As you browse around the website, if you spot something on a webpage which appears to be incorrect or needs attention, please contact me so it can be looked at. Maybe you have an idea for something that would make our website better; we would like to hear about it. This is the club's website which is viewed from all over the world – so we want it to be up-to-date and always correct.

Don't forget Cowtown Sponsors ; our Platinum sponsor "Bruce Lowrie Chevrolet" is found on the bottom of the home page and all of our sponsors can be found on the Sponsor's page – which is linked at the bottom of most webpages. Remember, if you have potential business that would like to see become a sponsor, please provide them with a sponsorship brochure or have them contact one of the elected officers. Our rep (David Tucker) for one of our in-kind sponsors, Discount Tire gets moved around periodically to different stores and we try to keep the info on the website updated. However, if you call the listing on the website and he isn't there anymore, ask someone where he went – it is well worth the extra phone call for the discount he will offer. James Blasé just encountered this with Corvette Guys, where they had changed their phone

number; that listing is now updated on our website.

If you have an interest in assisting with Cowtown's website, please contact me – this is my 10th year as webmaster for Cowtown and it would be great to enlist some assistance or to start training my replacement. This has been a goal for some time now; even if only to handle areas such as the Misc. Car Show or Competition Calendars; maybe even event pages, or social media, etc. Think about it and give me a shout.

Social Media? Hopefully you have noticed our continued use of Facebook which we believe is driving more visibility to Cowtown and our main website. Facebook provides us an opportunity to promote our club and our socials and events on a very popular medium. Events that are open to guests are ones that events are created on the social media; invites are sent to the Club's social media friends where they can accept, decline and even state maybe on their attendance. When they do this, it also generates traffic for others to see the event; where some of the potential new participants will come from. After the events, a few teaser photos are shared along with a link to the event page on our traditional website so they can find more photos and information. Not only does this get a potential new participant or member to that event page but they also browse around our website looking at other fun we have. You can find our club's and NCCC's Facebook account off the link on our Cowtown website (lower left). If you are not a Facebook friend with Cowtown (or NCCC) we would invite you to do so. Cowtown Email Distribution Lists : we continue to maintain a couple of dozen email distribution lists; these go beyond the Entire-Club list and the Officer list. Most of these are special interest such as Car Show committee, NCCC Events, specialty Cruises, Convention, etc. I would like to remind the Chairpersons that some of these lists (along with webpages) fall within your functional responsibilities so if you are a new chairperson, your email will be added. If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. Members, if you change your email address, mailing address, your Vettes, etc., please let membership know so that your address can be updated in the Membership Database along with the various email lists. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: ctv-membership@yahoogroups.com

If you have suggestions, questions or comments about how we are managing your Club's website and/or Facebook account, please don't hesitate to give me a shout. I also encourage you to shout if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of your website.

COWTOWN VETTES CHARITY REPORT

Thanks again to everyone who volunteered at the Tarrant Area Food Bank on June 11th! Our time, effort and \$300 donation was much appreciated.

Don't forget to shop for pet food to bring to the August meeting. Kim and James West will collect all our donations and take them to the "Don't Forget to Feed Me" Pet Food Pantry. Monetary donations are also welcome.

Each day, thousands struggle to feed their families, including their companion animals. While pets are known to increase our quality of life, many families are forced to choose between putting food on the table or giving up their pets. Don't Forget to Feed Me Pet Food Pantry recognizes these challenges and strives to give families the option of not only keeping food on the table, but also keeping their pet well nourished. Their mission is simple, to keep families and their companion animals together by providing pet food to those who are economically disadvantaged. Learn more at www.dontforgettofeedme.org.
