PRESIDENT'S REPORT

As you read this, the Super Speedway Autocross is about two weeks behind us.

The event went quite well. Although we experienced some problems, nothing was severe and all were overcome. I want to thank all who volunteered to make our event a success. Without you, nothing happens. The participant count was abundant, no one was hurt, and we remained on schedule.

Our next largest event is the Cowtown Vettes All Corvette Car Show to be held on October 18. This event will also need volunteers as well as entrants. Shine up your cars and come on out.

It is election season once again. We have reelected Glenda McMahan to another year as Cowtown's Governor. I thank her for both her past and future service to our club. However, all other offices (except two board positions) are open for next year. It is time for other members to step up and run for office. It is also time for everyone to vote who we believe we should entrust to lead our club. If you have never held office, the Junior Board Member position is waiting for you since all holders of this office are ineligible for reelection.

Please share your talents with the club and consider running for office. If you have not held office for several years, please consider returning and sharing your experiences with us.

And as always.....

VICE PRESIDENT REPORT

The year is rapidly coming to a close and cooler weather invites us to enjoy more outside activities. Over the next few months Cowtown Vettes will be offering a variety of events to take advantage of the great outdoors and enjoy driving your Corvettes. Always remember that you don't have to be in a group to have fun. Open the garage door, take off the car cover, start the engine, and take off for a driving trip across town, to a favorite restaurant, or to spend the day at the park. Call some fellow members to join you or put out a CTV-All email. You might be surprised at the response you get. The point is to get out and enjoy being in your Corvette.

As this is being written the final preparations are being made for Cowtown's premier event—**Super Speedway Weekend at Texas Motor Speedway**. This event is the 100%er for September. A lot of work has been done to make it as successful as it has been in the past. Currently sixty-four entrants have signed up to race with twenty-two of those being Cowtown members. Weather conditions are constantly changing but rain may be a factor. The final outcome for the weekend will be covered next month. I would like to give a Thank You to everyone that has helped.

Drag out those micro-fiber towels, polishes, and detail kits because it is time for Cowtown's second big event of the year. Our **Annual Red Show** is Saturday, October 18th. This will be the 100%er event for October and I encourage everyone to come out and support our club. Over the years this event has grown to over 100 Corvettes on display and usually every generation is represented. If you are considering adding some modifications to your Corvette this is a great opportunity to get some ideas, talk to owners that have done what you might be thinking about,

or just make a wish list. Door prizes and awards are given throughout the day. Several good restaurants are within walking distance so you won't go hungry. Do bring chairs to sit in and a cooler for drinks/snacks.

November is proving to be elusive for a 100%er event. There's just too much from which to pick. I am working with Coyote Drive-In for a possible Saturday night at the movies. A fellow member is working on an outing to the indoor go-cart track. And last but not least, the Mustang Club wants us back for their final car show of the year. A decision will be made soon.

I need everyone to think positive this year and pray that we will not have another ice storm the night of the Awards Banquet as we did last year. That was a nightmare for me but it all worked out in the end. Everything is being finalized with the Radisson and looks to be on track for an enjoyable evening. It will be held Saturday, December 6th, from 6PM to 11PM at the Radisson Hotel Fossil Creek. Following appetizers and drinks, a Holiday Dinner buffet will be served offering 2 salads, 2 meats, 2 starches, 2 vegetables, and dessert display. Breads, tea, water, and coffee are included. A cash bar offering domestic and imported beers, wine, and mixed drinks will be open until at least 10PM. Your payment of \$30.00 per person for members and \$40.00 per guest will reserve a seat for you. Seating is limited to a total of 88 people with 6 of those going to non-paying guests. That leaves 82 seats for members and non-member guests. Don't miss out on this year-ending event where Cowtown recognizes its numerous outstanding members which just might include YOU.

NCM MSP Grand Opening / 20th Anniv...

We left our Grand Sport at the Nashville airport on Sunday 24th, then flew to Convention in Savannah. On Wednesday 27th, we flew back to Nashville, picked up our GS and drove to Bowling Green, KY. Thursday morning, we were at the NCM Motorsports Park at 6:45am to represent NCCC in the Grand Opening Ceremony & One Acre Member Inaugural Laps. While we were there, we visited the NCM to see the sink hold, the fallen Corvettes and then headed back to the track. The 20th Anniversary NCM Celebration was in full swing and there were thousands of Vettes and people around. We loaded up in our GS and drove to Savannah for the rest of the NCCC Convention. Lots more photos and videos on our website.

COWTOWN CRUISER

November will be here before you know it.

Both the 2014 Cruiser Competition and the 2014 Annual Vette Photo Contest will end early in November.

2014 Cruiser Competition, 2014 Cruiser Packets are available electronically or in paper form. Always remember the cruiser program is about getting out and enjoying your Corvette.

To make the Cruiser Program a success, we need members to suggest places to go and to sponsor cruises for the coming year. The cruises don't have to be weekend cruises but can be short ½ day or all day trips for lunch, dinner, events, shopping, or just seeing something unique. If you have a destination in mind, we'll help you plan a route.

As always, please check the Cruiser Schedule at

<http://cowtownvettes.org/CCP/cruisersch.html>

for upcoming cruises and any last minute changes.

2014 Annual Vette Photo Contest, don't forget to capture your Vette in interesting or unusual places for the "What I Saw Along the Way" photo contest.

NCCC EVENTS

Cowtown's 2014 NCCC season has come to a close. I would like to thank all those who volunteered and made it out to TMS for our 18th Annual Super Speedway Weekend. I will not attempt to name everyone who contributed to the success of this weekend because I would surely miss someone. Even though we had a few hiccups along the way, I think the weekend was a total success.

We had 66 racers for Saturday and 64 racers for Sunday for a total of 260 scheduled runs. That's a lot of rubber on the track. As always the racers supplied us with some great entertainment and excitement. For those of you who were not able to make it, you will have to ask someone who was there about it.

Saturdays FTD awards (a bottle of wine from Lost Oak Winery) went to:

GOVERNOR'S THOUGHTS

THANK YOU for giving me the opportunity to serve as Cowtown Vettes governor for one more year. I will again represent the members to the best of my ability in all things NCCC (National Council of Corvette Club)

IT IS RENEWAL TIME AGAIN!!

In this newsletter, you will find an insert to be completed and returned to me. I will not be at the Oct. meeting and Joanne Smith will be taking the forms and moneys at the membership desk. I believe that we have a great club and you will want to continue your membership in Cowtown. You will have until the November meeting to get your checks to me. My home address is on the form if you just want to mail your renewal.

I also, want to thank everyone who came out and make our Texas Motor Speedway event a success again this year. As always I heard lots of good things said about Cowtown. Pat yourselves on the back for being the premier event in the region. Saturday night was our regional governor meeting and it was a busy one, it lasted until almost 11:00 pm. All governors presented request for our next year's event dates. There will be a vote for Regional Membership Director (RMD) and Regional Competition Director (RCD). Our club is very fortunate to have two people running for these offices. Scott Wheeler is running against Ron Ruston for RMD. Doug McMahan will be our new SWR RCD, because he is unopposed.

The national meeting, Sept. 13, was another extremely long meeting full of lots of information. The highlights of that meeting are six by-law changes which are up for a vote; they are voted on individually. Please review these on the website <http://www.corvettesnccc.org>

The competition rulebook, which I emailed to you is also up for a vote, it is an ALL OR NOTHING vote.

The NCCC National offices that are open for new blood are President—Bernyce Molenda and Dave Heinemann. The Vice President of Membership—Amelia Workman and Steve Johnson, Parliamentarian—James Walton, Director of Public Relations—Denny Luther, Treasurer—Betty Parks

When you visit the NCCC website, click on the “what's new” and let me know your opinion on how Cowtown should vote on the above.

The NCCC standings have not changed since last month since there hasn't been any new SWR events up until ours; please review the standings in my article last month.

The 55th Annual NCCC Convention in Savannah was a blast, we had 20 members which went to participate and represent Cowtown; two couples were first timers. Next year, Convention is in Lake Harmony, PA.

Remember RENEWAL TIME IS NOW!

WEBMASTER

CONGRATULATIONS COWTOWN VETTES!

for winning **1st Place** in the

2014 NCCC National Website Contest

We THANK all of you that found foopas on the and misc. items that needed attention on our website – WITHOUT YOUR assistance, this win would not have been possible as the competition was very tight this year. Being the 1st Place Website does take us out of the 2015 Contest eligibility; so we do have next year off; a contest rule. You can see the year after missing if you look at our Website Awards page on our website; other than one 2nd place win.

August was a busy month with the Pool Party that was posted last issue and September includes the 55th NCCC National Convention which was held in Savannah, GA. We thank the Geyers, Scott Wheeler for photos, along with ones we provided. In the middle of Convention the NCM also had their 20th Anniversary Celebration along with the Grand Opening of their new Motorsports Park road course. You will find pictures on our website and in this issue of the LowDown from both these events. I know that Doc and a few others will be providing photos from Convention

and I'll add them to the pages and slideshows as soon as I receive and go thru them.

We continue to maintain a couple of dozen email distribution lists many of which go beyond the Entire-Club list and the Officer list. If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: ctv-membership@yahoogroups.com. When you are added to these lists, you will receive an email asking you to join – you MUST accept this in order to be added to the list; otherwise the invite will time-out and you won't receive club emails.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of the website.
