## WORDS FROM OUR PRESIDENT

It is hard to believe that half of the year has past. Our Club has met many new guests at our events and membership meetings and most all have joined the Cowtown Vettes family. On behalf of the membership I welcome you again to our Club.

We have had successful NCCC events and great 100 % socials. This only happens with the hard work of those that were in charge and our members that came out and worked and

and attended the events.

If you thought the first half of the year was exciting and fun? Hold on to your hat, it's only just begun!

Again I want to thank you for your support!!!

*Don Wells*

## VICE PRESIDENT'S REPORT

**July Events** – July starts off with our annual participation in the **Westcliff West Neighborhood Fourth of July** parade. On **Monday, July 4** at about **9:30 AM**, we meet at the Congregational Church parking lot, on the corner of **Trail Lake Dr.** and **Manderly**. We will decorate our cars and line up. The parade starts promptly at 10 and winds through the neighborhood. Bring candy for the kids and treats for the dogs. After the parade is over, we will head to **R J Gator's** for lunch.

Our July 100%er event will be a **Backroads Cruise to Glen Rose** to eat lunch at **Loco Coyote**. The date will be **Saturday, July 23**. **William Nolan and Mary Pittman** will be leading the cruise. Check the cruiser report for details on where to meet and what time. We will arrive at Loco Coyote in time for a **12:30 lunch**. We will have the outdoor covered patio reserved for our group. We will be served a barbecue buffet lunch including 3 meats and 4 sides with ice tea for **\$18.95 plus tax and tip**. Alcoholic beverages will be available for purchase. I need to let the restaurant know the number that are coming, so I will need your RSVP by one week prior. William and Mary are looking into a stop at a winery on the way home for those who are interested.

**August Events** - Our August 100%er event will be a **Day in the Stockyards on Sunday, August 21**. Meet along Exchange Street in front of the visitor's center prior to 4 PM to watch the **4:00 Longhorn Steer Cattle Drive** wind its way along the street. Immediately afterward, we head down to the Cowtown Coliseum to watch the 4:30 performance of Pawnee Bill's Wild West show. I am negotiating a group price, but it will be no more than \$14 for adults and \$10 for children (if you want to bring kids and grandkids). The show will be over by 5:30, just in time for dinner at a local Stockyards restaurant to be named later. If you want to come out to the Stockyards earlier to shop, eat, play, feel free. There is now a virtual shooting range in the Stockyards Station that some might enjoy called Stockyards Gunfighter. More details should be available at the next membership meeting.

I'm working on some "bonus events" for July and August, but they are not finalized yet. These will be just for fun – not 100%ers. More info at the meeting and through email.

## WEBMASTER

New event pages this month include NCCC Autocross and Drags in Oklahoma, the Tarrant Area Food Bank and the Corvette Scramble event. I'd like to thank Jane Buehler, William Nolan and Doc Lambert who provided photos along with ours. Don't forget to keep your cameras handy – you never know when you might capture a once in a lifetime shot. We can always use more photos and everyone has a different type of photo they like to capture which makes the event pages so much better. For any photo provided, I resized them for use on the web, the Low-Down and our slideshows at membership meetings. Recognition is provided to the photographer on each photo, prior to them being used.

The [NCCC National Website Contest](#) is still in full swing, it started June 6 and runs thru July 6, 2016. If you see anything that you think is incorrect, something that needs added, an idea to make it look better, etc. please reach out to me. If you find something between June 18th thru the 26th we will be gone on the Swiss America Cruise – yes, it is smack dab in the middle of the contest. We also had an outage at our Internet Service Provider (ISP) which caused Cowtown's website to be offline on June 15th. They found that their primary Domain Name Service (DNS) server performed an unscheduled software update this morning and did not reboot correctly.

Are you on Facebook? If so, [Cowtown](#) and [NCCC](#) have Facebook accounts – we would welcome you to become friends with both of them; both are linked off our home page. In Cowtown, we use FB to reach out to audiences that might not find us on the world-wide-

web. We post a few photos from an event our members participated in and then link that post to our full website; we kind of use FB as a teaser share point so to speak. We post on the Nat'l FB page to show other NCCC clubs how much fun Cowtown and the members have.

As your webmaster, I also maintain a couple-of-dozen email distribution lists for various functions; beyond the CTV-ALL and the officer (CTV-EO) list.

If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated.

If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com). When you are added to a list, you will receive an email asking you to confirm and join – you MUST accept this in order to be confirmed into the distribution list; the invite (from yahoogroups) will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of **YOUR** website.

## COWTOWN CRUISER

In the dictionary the word cruise is defined as “to sail about in an area without a precise destination, especially for pleasure, or to travel smoothly at a moderate or economical speed”. Sometimes it is more practical to have a precise destination in mind and in the case of a Corvette it probably isn’t going to be a moderate or economical speed, but it will definitely always be for pleasure!

By the time you are reading this article, the Swiss America cruise will be history with 14 cars having had a great time in New Mexico and Colorado. So look forward to a report on that experience in the August Low-Down.

Our next organized cruise will be the July 100% event on July 23, 2016. We will be cruising the back roads of Hood and Somervell counties arriving at **Loco Coyote Grill** at about 12:30pm for a buffet barbecue lunch on the patio. William Nolan will be leading the driving portion of this cruise and Jo Anne Smith has done the work of arranging our lunch. We will be departing from the parking lot at **Cracker Barrel at 8010 SW Loop 820 (1-20 and Winscott) in Benbrook at 10am** (subject to change). Jo Anne and William will both have more info at the next meeting and as always check the website for further info as the date approaches. After lunch you will be on your own to enjoy other spots in the area such as the Pie Peddlers on the square in Glen Rose or Barking Rocks Winery just outside Granbury. Also, there are several options around the courthouse squares in both Glen Rose (Somervell county) and Granbury (Hood county) for cruiser points or just checking out the cute shops on each square! If you are more adventurous you could even make a stop by Dinosaur Valley State Park or Cleburne State Park for points also. Whatever your pleasure come out and enjoy a fun time in your car with great friends and food!!

It still isn’t too late to chase those cruise points. Remember the things that need to be included in

your photos are: 1) an identifiable portion of your Vette 2) you 3) Cruiser logo sign 4) an identifier of your location...ie, city sign, county sign, historical marker. In order to read the text on a historical marker it can be beneficial to take a close up photo of the marker. Also, remember to look for a unique setting in which to photograph your Corvette for the “What I Saw Along the Way” photo contest. Each person is allowed to enter 3 photos in this contest with the club voting on them in November. Always fun to see what others have seen along the way!

SO GET OUT AND ENJOY!!!

## NCCC EVENTS

We hosted our 5th Annual Corvette Scramble on June 11th, wow this is five years already? This non-Corvette racing event consisted of four

NCCC Events using sanctions from CCT & BRCC. Several members showed up to help setup for the event which was GREATLY appreciated. Registration started at 9am with the Participant's Choice Car Show officially starting at 10am and running until 12am. Lots of wax-on / wax-off type of actions going on to prep the entries. Car Show ballots had to be turned in by 11:45 so PJ could tally the votes. Next, Carlanne held the Funkhana driver's meeting at 11 and then the participants started their runs – some tight competition and close times this year. Most everyone had time for lunch before heading out on the rallyes. The Car Show and Funkhana Awards were presented after lunch.

1st Place Car Show Norm Baree – '1959  
2nd Place Car Show Doc Lambert – CRC '62  
1st Place Funkhana Craig Kamradt (CTCC) & Tony Sokoloski

Jack held the Rallye driver's meeting at 1pm with entrants leaving soon afterwards. After the rallye you brought your sheet back in and could relax over a cold one of your choice while Jack scored the sheets. The Awards for the 2 Rallyes were presented after scoring was complete. Additionally, we had tallied and presented the Overall Competitor Award which went to Craig Kamradt from CTCC.

1st Place Chance Rallye Craig Kamradt (CTCC) & Doug McMahan  
1st Place Gimmick Rallye Michelle Aggas & Glenda McMahan

Lots of great comments about the event and some of our out of town folks said they would be back. That is thanks to all of you!!! I would like to thank the following Functional Chairpersons that stepped up to make this event a success.

Car Show Paul (PJ) Jackson  
Equipment Robert Geyer  
Funkhana Carlanne Hickman  
Rallyes Jack Gandy  
Rallye Tech David & Becky Clark  
Registration Glenda McMahan

Beyond the functional chairpersons are the several of you that came out to work and make this event a success. WE THANK YOU ALL! I would invite you to check the event pages on the website for more information and photos. We also thank Bruce Lowrie Chevrolet for sponsoring this event.

Cowtown's LAST NCCC Event Date for 2016 is on the Southwest Region Schedule, along with flyers. We would ask that you please mark your calendars to assist in hosting and participating in this final 2016 events. Our website also has information pages around the event, click on the event in the calendar page or off our home page.

• **\*September 17-18, 2016:** Our annual No-Frills Autocross Scramble held jointly with CCT. This event will be back out at the Mineral Wells Heliport, same place as our Practice Autocross was held. The course will be longer and different than practice since I never design and use the same course within a few years of each event. We will also have our third SWR Governor's Meeting of 2016 that evening. It is an open meeting if you'd like to sit in and see what we discuss and accomplish in them.

If you have questions around NCCC, our events or competing, please don't hesitate to contact myself, Donald or your NCCC Governor – Glenda.

NCCC GOVERNOR

GREAT NEWS!!! I am sure you have all heard but National Council of Corvette Clubs Convention for 2017 back on in Bowling Green, KY. I know lots of you were planning on this because it is the home of the Corvette assembly plant and the Corvette Museum. This is a place where all Corvette owners will find something to fill their time and interest. We always have a good time in Bowling Green. Make your plans to include this next year. The date is Aug. 21st – Aug. 25th.

Our Spring Scramble was lots of fun and we had a great turnout. See the NCCC events page in this Lowdown for all the details. Thank you to all who came out and were a part of this.

Thanks to Doug, PJ, Carlanne, Jack and all the workers for stepping up and making this all hap-pen.

No new records were set at Thunder Valley on Me-morial Day weekend. There will be another chance Oct. 22-23 for you drag fans.

Next competition events are August 13-14, close to home, at Motorsports Ranch in Cresson. This is a low-speed event and will be run on the 1.3 mile lower track. It is very challenging track but looks to be a great day of racing. There is a governor's meet-ing at 7:00 pm across the highway at the Scottish Inn. The next weekend Aug. 20-21, for those who want to travel, is San Jacinto Corvette Club high-speed event at the track at the National Corvette Museum's Motorsports Park. This is an opportunity to drive and test the track before convention 2017. Congrats to Don and Nancy Wells for being the high bidder of the auction for the Spring Mountain Hot Laps by Ron Fellows Performance Driving School. The auction benefits the national FCOA (Future Corvette Owners Association) and the scholarship program of National Council; there will be two more auctions this year. Remember to

check out the NCCC Regional & National website, linked off Cowtown's homepage for all the goings on in the organization.

The Southwest Region standings (up to and includ-ing the Scramble) are:

- #9—Doc Lambert
- #6—Cathy Anthony
- #9—Glenda McMahan
- #10—Michelle Aggas
- #2 Cowtown Vettes

Again, let me know if anything has changed on your contact info so we can update the database so you continue to get all the news and your Blue Bars.

SAVE THE WAVE!
