FROM THE PRESIDENT'S DESK

Hello Cowtown,

I hope that all of you are doing well and enjoying this great weather we have been blessed with. As always we have great opportunities to enjoy these amazing cars we love by the hard work of our members creating activities to do just that.

I hope that you can attend any event possible and enjoy the fellowship with others in doing so. Our members are the heart and soul of this club and make this what it is today.

Thanks for all you guys do.

John Armes
President
armesgs@gmail.com

THANK YOU!!!

A HUGE THANK YOU goes out to everyone that planned, worked and/or participated in the **22nd Annual Super Speedway Weekend**.

The weather was great, we had a good turnout and we received lots of accolades for hosting a great event. We had out of region entrants from Michigan and Nebraska/Iowa.

This year, we utilized new technology which included staging the entrants on the start line with a barcode scanner – worked great!!!

TMS Chair & Co-Chair

VICE PRESIDENT'S REPORT

JUNE

The 100%er event for June is the **7th Annual Spring Scramble at Fat Daddy's Sports and Spirits Café, 781 West Debbie Lane, Mansfield, TX**. The date is **June 2nd**. It starts with a Car Show at 10 AM. While the car show is going on, you can participate in the funkhana. The last events of the day are two rallies, run simultaneously. More information on the Spring Scramble and registration info is available elsewhere in the newsletter and on the website. Lunch is not included, but Fat Daddy's will be open during the event for your dining pleasure. In order to get 100%er credit, you must participate as a volunteer or an entrant in one or more events. These events are a lot of fun, so plan to come out and participate.

JULY

Nothing as yet dreamed up. Summer heat started so early in May, making ideas for a hot July tricky to envision. I may have something by the June membership meeting, meanwhile watch this space and check the website.

WEBMASTER

The latest event pages from events have been posted; apologies for the delays in getting those finished. These event pages share the fun our members had at the TMS Super Speedway Week-end, the NKF Walk and the Cruise to Revolver. Thanks to Richard Downing for some awesome competition photos from the TMS autocross. Some have asked, beyond the website home page, how do you know what has changed on our website? There is a “What is New on our Website” on our home page; it links to a page that tracks all the changes on any page on our website. Others have asked, how can I find photos from an old event? If you are looking for photos from an event years ago, you “Gallery” then “Archived Events; and select the “Year” then the events for that year are listed by date.

Photos: We always welcome you to grab that camera (or your smartphone) every time you head out with your Corvette. We can always use more and different styles / views of **high-resolution photos** for our website & newsletter. Please try to take your photos in the largest format and resolution that your camera and/or smartphone can capture. Hint: smartphone / tablet photos are typically marginal – unless you change the settings to the device’s highest resolution. For any photo you provide, I take and resize them for use on the web along with the larger format for the Low-Down and the slideshows shared at our membership meetings. Your initials are added to the photos, to provide recognition to the photographer on each and every photo.

The club has a couple of dozen **email distribution lists** which are maintained by the webmaster. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and mailing address updates to: ctv-membership@yahoogroups.com.

NOTICE: When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahoo groups) will time-out after several days, as well so don’t delay.

In closing, please don’t hesitate to contact me if you have suggestions, questions or comments about YOUR Club’s website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown’s image on the world-wide-web and it needs to be the best it can be.

COWTOWN CRUISER

'Tis the primo time of year to be out cruising in your Corvette....the grass is green, the flowers are blooming, the sky is blue and so far the weather has been fairly mild (by Texas standards).

So get out, take the top off and enjoy the countryside before the temperature rises into triple digits. Check out your photo skills for cruiser points or a photo contest entry. People seem to love seeing a Corvette or a string of Corvettes driving down the road. Random people will point and wave and sometime even snap a photo themselves!

It still isn't too late to participate in the cruiser program...make a stab at it. The first pass out yields the best results since none of your categories are filled up. Texas has the largest amount of historic markers commemorating a variety of locations and/or events at said location. A great way to learn a little more about the great state we live in. Also, if you are planning on attending the NCCC convention in New Orleans in July, this would be a great opportunity to rack up some out of state cruiser points.

A good group enjoyed the cruise to Revolver Brewery in Acton on May 19. Becky Clark planned this cruise as one of the 100%ers for the month of May. We cruised some of the back roads of Johnson and Hood counties then enjoyed beverages, food and music at Revolver. The driving portion of the cruise was led by William Nolan. After Revolver closed participants were left up to their on resources as to their route home. Several cruised on around the area and enjoyed dinner later on at some of the local establishments.

There currently are not any other cruises on the schedule. William Nolan/Mary Pittman are hoping to do either a return to Loco Coyote or a trek to The Horny Toad Grill in Cranfills Gap if there is any interest. Let us know if you have a preference on that one.

Don't forget the "What I Saw Along the Way" photo contest. Remember to photograph your Corvette in unique, interesting or scenic settings. This contest culminates in November with club voting. Each member is eligible to submit up to 3 photographs

(4x6 or 4x5) for this. You do not have to participate in the cruiser program to enter. Also, remember P.J. is always looking for your Corvette photos for the cover of the Low-Down.

As always watch the CTV website for up to date cruiser info and get cruising!!!

HAPPY CRUISING!!

NCCC GOVERNOR

The weather if heating up like summer is not far off! After all it is Texas and we will have heat!

Our event was very successful with minimal issues! (now we need to replace one timing light, hit at the finish line) The new scanning equipment was a great addition to our timing. It will take a few times to get used to it but it made the results so much easier to get thru. As always, we heard lots of good things said about Cowtown and Texas Motor Speedway. People love this place! Great job to the people that came out and made this the event that we always hope it to be.

The May National meetings in St. Louis is always interesting! This time it included a 12 hour wait at the airport to return home! I can think of lots of places I would rather spend 12 hrs besides the St. Louis airport. If you have not gotten a new membership card or there is something wrong with the one you did receive, please let me know. They will be reprinting some with corrections, however there is a deadline. There is a new application for new members and I will be getting with membership so we can start using the new forms. If anyone needs waivers there is the new form on the national website under insurance. See me if you need anything from the governor or help finding information on the website.

The last weekend of May was an autocross and drag event in Edmond and Thunder Valley, OK. Hot as usually! More on this next month about records that were broken.

June 2nd is our Fat Daddy's Scramble that has lots to offer, a car show, a funkhana, and two rallyes. This is an event for people that don't want to take their car out on an autocross course. This is a fun event with lots of laughs, mostly at ourselves! Come out and enjoy the fun! It is local! This also is followed by a regional governor's meeting.

June 9th and 10th SJCC is hosting 14 low-speed autocrosses at the Police Academy in Houston. This is a fun short track! The end of the month June 23-24th is back in Edmond, OK for 14 low-speed autocrosses. This is before the break for the summer heat of July and August.

Remember the convention in New Orleans, LA July 15-20th. So if you haven't made vacation plans, this will be a party including some competition events. See you there! Bring your Mardi Gras attire and join the fun!

Southwest Region standings are as follows:

Men:

- Doug McMahan #1
- Ronnie McCrary #7
- Norman Walker #9
- Doc Lambert #10
-

Women:

- Glenda McMahan #2
- Kerrie Sutton #6
