FROM THE PRESIDENT'S DESK

Hello Cowtown,

I want to express how thankful I am to John Armes for the great job he has done in serving as our president this

past. I wish him and Cory well. Since John found it necessary to step down from the presidency, I will be serving in that capacity for the remaining two months of 2018.

The last two months have been busy. I hope you were able to join in on several opportunities to either race, show or just enjoy your Corvette. Thank you to everyone who came out to support the club.

We've had several nominations for our Officer positions. You will have another chance to nominate someone from the floor at our November meeting. If you would like to hold an office, please nominate yourself. Other members may not be aware of your interest in serving.

I hope you all will come and enjoy the fellowship at our meetings and look forward to ending this year on a high note. I want to wish you all a very happy Thanksgiving to you and your family.

WEBMASTER

At the time of this writing, your website is up to date; other than the last SWR NCCC event which took place last weekend in Waco.

2019 CTV Officer / Board Elections will be solicited from the floor at the November Membership Meeting; we encourage you to consider one of these positions. There is no better way to enjoy the club and to be part of the solution than to step up and get involved. The officer position nominees that accepted at via the October paper submission are posted on the website. If nominated and accepted, you can post your BIO on the website for the members to see your passion & qualifications for the position; look at it as a place to showcase why they should vote for you.

If you are not ready for an elected position, please consider stepping up for one of the volunteer positions; either as a chairperson (or co-chair) for 2019. The new President will accept and appoint candidates for these positions.

Do not forget these at the November Membership Meeting: gather your three photos for the “What you saw along the way” **Cruiser photo contest**. This is a great venue to showcase your special photos, which you took while enjoying your Corvette. Talk to Mary or William (Cruiser chairpersons) if you have any questions.

Have you moved or changed your email address?

If so, then please send an updates request to::

ctv-membership@yahoogroups.com.

NOTICE: When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahoo groups) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to contact me if you have suggestions, questions or comments about **YOUR** Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

THANK YOU!!!

I personally would like to thank the following people who came out to represent Cowtown at the BRCC Judged Car Show

David & Becky Clark

We did a little “showing in the rain” - see photos in the next issue of your Low-Down - it was an ugly, raining day with a very low turnout, however, this group did bring home the **Club Participation Award** for the 8th year in a row!

COWTOWN CRUISER

Well the 2018 Cruiser Program has come to an end. Your log sheets are due in by midnight, Sunday, November 4, 2018 and your pictures by midnight, Sunday, November 11, 2018.

Remember they can be submitted in a photo album or scrapbook, or digitally via thumb drive, DropBox, etc. and must be labeled per the log sheet. Points will be verified and awards will be presented at the December meeting and/or the Christmas social. Also, the awards for the "What I Saw Along the Way" photo contest will be presented then. Thank you to all who participated.

When Cowtown Vettes was chartered back in 1974 the charter stated that "the general purpose of the club is to encourage planned trips, social activities, and events for members of the club"... At that time, besides the social aspect, most of the events revolved around racing; auto-cross, drags, concours, and rally. An organized cruiser program did not come about until 2005 and has evolved year by year as participants made suggestions. Doug McMahan created the original program guidelines and served as the first cruiser chairperson. This provided a fun avenue of competition for those who were not interested in racing, but wanted to be out driving their cars. Bobby Gorman was the first winner in 2005, and Doc Lambert claimed the top spot 7 out of the next 11 years! Other winners have included Doug McMahan, Carol Savage, Robert & Cydnie Geyer and William Nolan & Mary Pittman. Numerous other members have participated over the years. It is a unique opportunity to travel the back roads and see things you might not otherwise take the time to notice.

Although the official competition has ended there is another great day of cruising and dining that is

planned for Saturday, November 17, 2018 which will be the 100%er for the month of November. William Nolan will lead the cruise portion of the event through Hood and Somervell counties and Becky Clark will be making the arrangements for our lunch at La Fiesta in Granbury. Watch the website for times and the meeting place.

Once again, please consider taking the opportunity to be the Cruiser Chairperson(s) for 2019.... change is good and it is time for someone with a new vision and new ideas to chair this function to take us cruising down down the back roads!!

KEEP ON CRUISING!!

The following proposal will be presented at the November membership meeting:

The following Standing Rules will be eliminated:

3. A 100%’er AWARD** is presented annually as directed by the Board to each individual member who attends at least 11 of 12 monthly membership meetings and a Club event at least 9 of 10 months, February through November. The Club event to be considered for this award each month will be announced and designated each month in the Club Newsletter and/or the website. Attendance at a concurrent NCCC event or Corvette related event pre-designated by the Elected Officers will be accepted in lieu of this requirement. In all cases, the eligible Club event(s) will be designated in the newsletter and/or the website with an asterisk (*). Recognition will be given at a Club Ceremony.

7. AN OUTSTANDING MALE/OUTSTANDING FEMALE Member award** is presented annually as directed by the Board to the male and female that are considered to have helped the Club and been very active during that year. It is not a popularity contest. Balloting for this award is done three times a year: at the April, July and November monthly membership meetings. Votes are taken by secret ballot. The awards are presented at an Awards Ceremony. These members will be refunded their Primary Club membership dues for the following year.

8. COWTOWN ROOKIE OF THE YEAR AWARD (ROY) ** will be presented annually as directed by the Board to the Rookie member who accumulates the highest number of points according to the schedule below. A Rookie is defined as a new member to the Club who has not previously been a member of the Club. Rookies accumulate points the calendar year following the year that they joined the Club. All records are maintained and the determination of the Rookie of the Year is made by the Membership Committee who will select and present the award at an Awards Ceremony.

Participation - Points will be accumulated January 1 through the December monthly membership meeting. Point System 30 points: 1. NCCC Chairperson or Co-Chairperson. 2. Club Committee Chairperson 3. NCCC Convention Attendance (entire time) – for those held outside the Southwest Region 25 points: 1. Club Chairperson of a social event (e.g. car show, cruise, theme party, etc.) 20 points: 1. Chairperson or Co-Chairperson for an NCCC-sanctioned or non-sanctioned event. Being the Annual Car Show Chairperson, providing you are the Car Show Chairperson or they wish to delegate this position. 10 points: 1. Sponsor a new member 2. Worker at Club NCCC event or any other club regional event 3. Member of a Club Committee 5 points: 1. Attendance at monthly membership meetings 2. Attendance at monthly social (per Club By-Laws, only one will count) 3. Attendance at any NCCC competitive event - Not in an entrant capacity (maximum five (5) points per day) - Those working the event earn NCCC Worker points. - Attendance at any out-of-town car show or road racing event - Not in a worker or entrant capacity (maximum five (5) points per day) All NCCC points earned at NCCC-sanctioned events. For ROY members who opt to participate in car shows or road racing functions (alone or in addition to NCCC events), they will be able to obtain points toward ROY as follows: The combined quantity of “equal events” must match that of the NCCC events for that given year. The definition for “equal events” takes into account travel distance, time away from home, number of nights away, entry fees, etc., as best as they can be made equal. Confirmation of all of the event entries and results must be provided for entry/point validation – the NCCC event results/regional standings provide them for the NCCC events. The “equal event” calendar is based off the number of NCCC Corvette clubs and events that are held each year, which may vary. There are 18 SW Region NCCC clubs, thus seven (7) sanctions per club. There could be 128 events per NCCC year.

These three SR will be replaced with the following:

3. Membership Involvement Award – Points will be awarded for membership involvement in club

Awards will be presented as follows:

Activity	Points per person

17TH ANNUAL CTV CAR SHOW

The 17th Annual CTV Car Show was held on its scheduled date of October 20, 2018. Earlier there had been some concern about rain, since it had rained the previous five weekends in a row, but the weather Gods smiled on us and the show went on without a drop of precipitation. This concern regarding rain appeared to cause some folks to decide not to attend the show, that was a major loss for them. The weather was WONDERFUL, cool and dry. It is often a little warm for our show, particularly in the afternoon, but this time the weather couldn't have been nicer.

We had seventy-nine registrants for this show with all models represented. Due to the outstanding efforts of Don Segreti and Willie Owens, there were nearly as many door prizes as entrants. As usual, the goody bags had more swag in them than the cost of registration for the show, another salute to Don and Willie, who also gathered lots of items for the prizes in the 50-50 raffle. The charities team, led by Jane Buehler sold \$906 worth of 50-50 tickets of which half was won by Rhonda and Steve Weible, the rest going to the charity budget.

Last year's two Best of Shows were in attendance with their cars displayed in the prominent, up front, spaces reserved for them. This year's winners, Brian Williams and Daniel Eckles have indicated they will be in those spots for next year's 18th Annual Show.

We had a new vendor this year, Detail Garage – Arlington. They had a very nice display, and we recommend you visit them at your earliest convenience. Advance Battery, our show gold sponsor, had a great double display with their beautiful 1955 Chevy. Haggerty Insurance was in their usual attendance and also the supplier of the actual bags for the goody bags.

Craig Murphy was gracious enough to help us out again with his PA system, his announcing and singing skills.

Because of the slight reduction of registration, there are Car Show Shirts available for purchase at the reduced price of \$15.00 each. They will be available at the general meetings from Bill & Jane Buehler. They are 100% cotton, tan, with front and rear artwork displaying last years Best of Show winners. Currently most sizes are available. Purchase yours early. They are always considered fashionable, particularly at our other club events.

We feel sorry for those of you who missed the show. We had particularly nice cars this year with a great cross section of models. Make your plans now to register or visit next year. It doesn't take a "show car" to enter, just one you are proud of, and who isn't? Besides the cost of registration is less than the value of the goody bags and the show is an outstanding opportunity to visit with other Cowtown members.

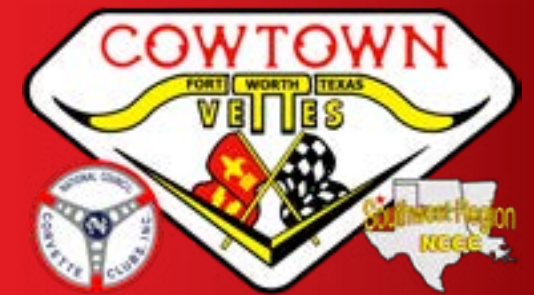

"SAVE THE WAVE" – See you soon.

Well here we are in November and (as far as I know) we are finished with NCCC events for the 2018 season.

As yet, I have no specific information regarding upcoming events for 2019, although I'm sure our recurring annual events such as a Practice Autocross, the Super Speedway event at TMS, Spring Scramble and Mineral Wells Scramble will take place as usual.

A complete schedule and flyers for these events will be coming soon at www.cowtownvettes.org.

We continue to look for new locations to hold autocross events. If you know of a location that might work please contact me or Doug.

If you have questions around NCCC, our events or competing, please don't hesitate to contact me, Doug or your NCCC Governor – Glenda.

NCCC GOVERNOR

RENEWAL TIME IS ALMOST OVER!! Make sure you bring your check to Cowtown Vettes membership meeting on Nov. 2nd. You can mail them to me by Nov. 7th to my home address which is on the renewal form on the Cowtown website on the homepage.

Dues are payable to Cowtown Vettes If I do not have them by the 7th you will be charged \$10 for a late fee. I have to have the renewals to the RMD (region membership director) the week of Thanksgiving. Please keep in mind this take me awhile, this is why we have set the date for early November. Mary Pittman will again be collecting dues for me.

Yes, I know you haven't seen me much in the last few months and again I will not be at the November meeting! I will be at the Christmas party and will reintroduce myself to you. I am busy trying to keep my #1 spot for Southwest Region competition along with attending to high school football games,when I am not competing. The last weekend in Oct. was the last NCCC (National Council of Corvette Clubs) event in the Southwest Region. It has been a super fun year and battling back and forth for my spot for sure.

We had three records set at Thunder Valley Raceway on Oct. 21st. Again this year, both Chris and Christine Gann set a record in 2 J/K class. J.R. McLaughlin in 1F/G class. Congrats to all of them! We only have two or three drag race events a year and this is an accomplishment! Doug McMahan ran under his 1N record (with an 11.28 ET) but did not wish to back it up - he didn't want to tear a car under warranty down! Good job, Doug! I wasn't too thrilled in tearing down my fairly new corvette, even though the procedure is not really that terrible anymore.

As I said in my October article Convention made a sizeable profit. The convention directors decided to give back to the clubs that worked and helped make it successful; and Cowtown received a \$1000 check for our part. Thank you to those that came and helped us put on an event or held a chairperson position.

We did vote for National Officers and if I did not contact you it was because the majority wanted me

to vote for Bernyce Molenda, who is a member of our region and also Sylvia Hoaldrige's cousin. She will make National Council a great president, she truly loves NCCC and the people in it.

The Southwest Region standings are as follows (without the last two events in the total). There will be some changes in the standing when all the points are totaled.

Gentlemen:

- Doug McMahan #1
- Norman Walker #6
- Doc Lambert #7
- Larry Schaapveld #9
- Ken Sutton #12

Ladies:

- Glenda McMahan #1
- Kerrie Sutton #5
- Cathy Anthony #12
