FROM THE PRESIDENT'S DESK

April was a busy month, and I'd like to thank all of our members who participated in club activities during that time.

A special thank you to Carol Savage for working with the Fort Worth City Council, who presented a Proclamation claiming April 6th Cowtown Vettes Day. I also want to thank Carol Savage, Bill & Jane Buehler, Larry & Vicki Currey, Jim & Donna Forsythe, Robert & Cydnie Geyer, Nicholas Kupferle, William Nolan & Mary Pittman, Scott Wheeler, Ronnie & Connie McCrary for representing our Membership.

The April board meeting will be May 15th at 7:00pm at Buffalo West. I welcome our members to attend and bring new ideas to the board.

VICE PRESIDENT'S REPORT

LINES FROM LARRY

I want to thank all those who showed up for our April event the tour of the **Trinity River Distillery**. Eric our tour guide was really great, and I believe everyone in attendance had a great time and some really good drinks. Afterwards we went to Los Taco H's a little Mexican restaurant for some authentic dishes. Afterwards most of us headed over to The Woodshed for a few more adult beverages.

Our May event, scheduled for **May 4th**, will be a joint venture with the cruise guys to Hico, Texas where we will be visiting the Billy the Kid Museum. I've been in discussion with the museum director and she will be reserving parking in front of the museum, or on Railroad Street just down the block. After the museum we will have lunch at **The Chop House**, famous for their **Chicken Fried Steak**. If you haven't signed up but plan on attending, please let me know because I'll need the head count for the restaurant. After lunch we can walk through town and visit the **Blue Star Trading** and the **Hico Mercantile**. After all that shopping, we can stop at the **Koffee Kup** for a piece of pie or visit the **Wiseman House** for some chocolate.

I'm still working on our June event, and will be announcing it at our May meeting.

Don't forget to hold open **December 7th** for our annual **Christmas Party** to be held in the Stockyards.

This past month has been a very busy one, with all the following events being posted to the web-site:

- *CTV 45th Anniversary and Proclamation by City Hall declaring April 6th 2019 as Cowtown Vettes Day in Fort Worth.*
- *10th Annual Vines and Vettes Car Show at Lost Oak Winery.*
- *CTV Nacona / Winstar Cruise / Lunch*
- *and of course our 23rd Annual Super Speedway Weekend at Texas Motor Speedway.*

The latest Members Directory has been posted in the Members Only section of the website with all the new revisions from Anne and Norman Walker.

May, June, and part of July Upcoming Events are listed on the Home Page with lots of things to do for all of our members. Please take time to review all the new Events there and plan on attending some.

Our Club has so many different Events for all members, that it is hard to make them all. And with that thought, I want to thank all those who have sent photos to our Dropbox to share with the Lowdown and on our webpages. Those photos along with your comments, keep the pages informative and interesting.

The weather is warming up so grab your camera when you head out in your Vette and take some pictures to help keep your website loaded with great shots.

COWTOWN CRUISER

Spring is here and the wildflowers have been out in abundance, so hopefully you have had an opportunity to be out and about in your Corvette. If not, get out, put the top down and enjoy this weather before the scorching heat of summer heads our way.

April saw our first organized cruise. Robert and Cydnie Geyer led a group through the backroads of Wise and Montague counties for a stop at the Horton Classic Car Museum in Nocona. This place never disappoints. The Horton's have a large and varied collection of classic cars which includes a number of vintage Corvettes. From there, those who wanted to headed on up the road into Oklahoma to the WinStar Casino. There were a variety of options for lunch and ample opportunity to "share" your funds with our Okie friends. For those collecting cruiser points the courthouses in Decatur and Montague provided options for several points as well as the cruise destination which would count in the club sponsored event category.

The next cruise on the schedule is the Hico-Billy the Kid Cruise on May 4, 2019 planned by Larry and Jan Dyer. The group will meet at Cube Storage on Benbrook Highway at 10am, drivers meeting at 10:15 with a departure time of 10:30am. William Nolan will lead the driving portion of this cruise through the back roads of Hood, Somervell and Erath counties and if you know William you know he will find a way to work in Hwy 51 in Somervell county since it is one of his favorites. After arriving in Hico we will tour the Billy the Kid Museum, which is free, have lunch, then you will be on your own to check out the historic downtown. Don't miss Wiseman House Chocolates or the pie at the Koffee Kup.... as always, check out the website for cruise info and William, Robert and Larry will have the latest info for this cruise at the club meeting on Friday, May 3.

April was a crazy busy month for our club with our club meeting, a distillery tour, the anniversary

proclamation at city hall, NCCC Regional racing events, Vines and Vettes, a cruise and ending up with our annual TMS Weekend racing event!!!

Several folks have ideas for cruises so hopefully they can get some others planned out and put on the schedule for later in the year...such as a trip over to Clark Gardens in Mineral Wells, a return visit to Revolver Brewery and several others. If you would like to plan and execute a cruise just let Robert Geyer or William Nolan know and they can help get it on the schedule for you.

Finally, remember to be on the look out for an interesting or unique spot to photograph your Corvette for the "What I Saw Along the Way" photo contest. Anyone in the club can submit 3 photos for this contest. Club members will vote for the winning entry at the November meeting.

As always if you have any questions about the cruiser program please do not hesitate to ask your cruiser co-chairpersons, **William Nolan and Robert Geyer**, or their able administrative staff, **Cydnie and Mary!**

2019 C4 GATHERING MAY 16-18, 2019

Open to all those interested in the 4th Generation Corvette, these two organizations and the NCM are working to bring participants activities, seminars, road tours, MSP touring laps, and Karting along with information specific to their interest in this generation of Corvette.

Indianapolis 500

The 2019 Corvette Grand Sport will serve as the Official Pace Car for the 2019 Indianapolis 500 presented by Gainbridge, leading 33 drivers to the green flag on May 26 for the 103rd running of the legendary race. It marks the 16th time a Corvette has served as the Pace Car, starting in 1978, and the 30th time a Chevrolet has led the field dating back to 1948, when a 1948 Fleetmaster Six convertible paced the race. No other brand or vehicle has served as the 500 Pace Car more than Chevrolet and the Corvette, respectively.

Experimental Mid-Engine Corvette Now on Display

The XP-897 GT was a mid-engine concept Corvette intended to be the future generation of Corvette that would have been introduced in 1976. GM installed the Wankel Rotary engine as they planned rotary engines to replace standard piston-in-cylinder engines in future models of GM vehicles.

NASA Exhibit Welcomes Another Astronaut Corvette

The Museum now has two of the three Apollo 15 astronaut Corvettes on display as part of the Gas Station to Space Station exhibit. The three astronauts (David Scott, Al Worden and James Irwin) decided as a group to be patriotic with their Corvettes, with one Mille Miglia Red, one Classic White, and one Bridgehampton Blue. On top of the colors each had a double stripe placed down the length of the car, just to the left of the center, with the other two colors of the American flag. Added to the display is David Scott's Bridgehampton Blue Corvette.

SPECIAL NOTE:

C8 Mid-Engine Corvette

In case you haven't heard, the reveal date for the much-anticipated mid-engine Corvette has been established as July 18, 2019

As of this writing, our 23rd TMS Super Speedway event is now in the history books. I will have the final information on it in my June newsletter. (had to meet the printing deadline for the May Low-Down.). I would like to thank all of you in advance who came out and worked.

Saturday June 8th will be our **7th annual Spring Scramble at Fat Daddy's in Mansfield**. This will consist of a *car show*, *funkhana*, and *2 rallyes run simultaneously (poker and gimmick)*.

- Registration starts at 9:00 am
- The car show will run from 10:00 am until 12:00 pm
- The funkhana will start at 10:30 am and go until 1:00 pm or until we all give up.

We will have a short drivers' meeting at 1:00 pm and then the first car will be out shortly

thereafter. PJ has volunteered to take care of the car show and Rallye Master Jack Gandy has once again said he will map out the rallyes for us. If you would like to design the funkhana, please let me know.

The last event of the year will be the **Autocross Scramble** held in **Mineral Wells on September 21st and 22nd**. CTV will be hosting both Saturday and Sunday this year., and lunch for both days will be brought in from Subway. I am still working on a host hotel for this event.

As with all of our events, the success is totally through the club members' support.

NCCC GOVERNOR

By the time you read this our Texas Motor Speedway event will be over and I am sure a fun time was had by all; more on this in the near future!

May is a fairly peaceful month with the National Governor's meeting in St. Louis on May 3-4th, which I do not plan on attending, but I will attend the September meeting. I will receive the meeting notes from our Regional Executive (RE) and will pass on any info that effects Cowtown Vettes.

Memorial Day Weekend is an Oklahoma City event in Stroud, OK. This is a old Tanger Outlet Mall parking lot with a lot of open space. This has not been a location that they have used in over 10 years so it will be a new venue for all racers. SCCA runs there but NCCC has not in a lot of years. It should be a fun time. Come out and enjoy an autocross with all of Southwest Region. This is pre-registration only so send in your entry by May 11th.

June has two car show, funkhana and rallye events. One being Cowtown's Fat Daddy's event on June 8th in Mansfield, TX. We always have some laughs and some serious competitors that don't autocross

for competition. This is a great local and one day event. The Southwest Region will hold the 2nd governor's meeting later that day. Come and see what runs the region and consider being Cowtown's next governor. I have enjoyed this job and made a great deal of friends being your governor. This is a way to be involved and it doesn't take too much of your time.

The San Jac event has changed their date and it will now be June 15-16th at the Houston Police Academy with 14 low-speed events. Short but fun track and a lot of fellowship with friends.

Convention is July 7-12 in Denver, Colorado. Come and enjoy the mountains and cool weather. Convention isn't just competition as there are parties, car shows, funkhanas, valve cover races, etc. – fun for all regardless what your passion is. All the details are on the national website:

<https://corvettesnccc.org/>

The Denver club has put in the work so you can come and enjoy your time.

Let's make Cowtown the #1 club for the 3rd year in a row.

A Short Walk to Save a Life

As most of you know, I am a staunch supporter of the National Kidney Foundation due to my 12+ years of dialyzing because of non-working kidneys. As a dialysis patient myself, I know firsthand how kidney disease impacts a family and how a little knowledge can go a long way.

PLEASE JOIN ME...on May 11, 2019, when I plan to walk with other kidney patients, organ donors, transplant recipients, family, friends and co-workers from Fort Worth and surrounding communities at LONE STAR PARK in Grand Prairie to help raise awareness of the more than 30 million Americans affected by kidney disease. (1 in 3 American adults is at risk for kidney disease. 1 in 9 American adults has kidney disease--and most don't know it.) Please mark you calendars and make plans to join me and other walkers representing Team CORVETTES FOR NKF.

If you have not joined our Team, please click on the NKF link on the Cowtown Vettes website, which will take you to the NKF Walk website. (NOTE: Be sure to search for the Corvettes for NKF Team and sign up there.) NKF is one of the few organizations that does NOT require payment in the form of a registration fee. However, we hope that you will use your many contacts, as well as Facebook, to fundraise for this annual DFW event.

If you have questions or problems, please call/text me at 817-846-9478.

In addition to participating in the Walk each year, YOUR continued support in the form of purchasing 50/50 RAFFLE tickets and/or participating in the SILENT AUCTION at Cowtown Vettes Annual TMS Super Speedway Weekend April 27-28, 2019 is greatly appreciated.

I will start selling 50/50 raffle tickets for \$1/ticket at the January membership meeting and continue selling them at each membership meeting until CTV's TMS Super Speedway weekend, when tickets will be sold at the event site and at the host hotel until the Raffle drawing is held on April 28 2019.

After the Awards Presentation on Saturday night, a drawing for the 'winning ticket', as well as other door prizes, will be held, followed by a Silent Auction. ONE-HALF (1/2) of the raffle proceeds go directly to the National Kidney Foundation serving North Texas, along with ALL of the proceeds from the Silent Auction. Your donations go directly to vital programs that help fight kidney disease through prevention, advocacy and education.

I hope that you will dig deep into your pockets to help Team Corvettes for NKF to be a Top NKF Fundraiser once again this year.

Remember: "A short walk can help someone take a lifesaving step."

Thank you.

Sylvia Hoaldrige

Team Captain, Corvettes for NKF

NOTE: After the NKF Walk on May 11, we will meet for brunch/lunch at Mimi's Cafe in Arlington Highlands on I-20.
