

Hi, my name is Michelle Aggas and I am running for Secretary.

A little bit about myself...

My husband George and I joined Cowtown Vettes in August 2012. Since becoming members, we enjoy and have participated in several different events and activities with the club. We own a 2007 red coupe along with a 1994 yellow coupe which I started auto-crossing this year.

We both work for American Airlines and I currently am working from home.

I would like to become the Secretary to be more involved with the club. I would be available to attend the monthly membership and the board meetings.

It would be a pleasure to be the Secretary for Cowtown Vettes for the next year.
