

Scott Wheeler – Cowtown Vettes Board Candidate

Personal: My wife Mo and I have been married for 47 years. We have two children, Scott 3 and Carly (a former Cowtown Vettes associate member). I am a computer system specialist at Lockheed Martin. Mo and I own three Corvettes, a one-owner 1977 4-speed L-82, a 1990 6-speed coupe – which we dedicated to racing, and a 1992 6-speed roadster.

Corvette Club Activities: We have been National Council of Corvette Club members since 1979 and we are both lifetime members (Mo's membership upgrade is pending). We have been member of Cowtown Vettes since 1992. I have served CTV as Competition Director, two multi-year terms as NCCC Governor, Board Member and Co-chair of the Texas Motor Speedway committee. I have also worked for the club at TMS since 1997. Mo and I are almost always 100%ers. I support CTV's NCCC competition events by working as the race starter. We've attended over a dozen (I've actually lost count) NCCC National Conventions since 1981 (plus I snuck into the 1977 Convention for an afternoon). We competed in the Southwest Region NCCC events for many years including a string of years as top 10 competitors. Mo has been a Southwest Regional officer and I helped her with her duties. I have also served as NCCC Governor for another Southwest Region club for several years.
