

Hi, my name is Michelle Aggas and I am running for Secretary.

A little bit about myself...

My husband George and I joined Cowtown Vettes in August 2012. Since becoming members, we enjoy and have participated in several different events and activities with the club. We own a 2011 white Grand Sport along with a 1994 yellow coupe.

We both work for American Airlines and I currently am working from home.

I have had the pleasure of being the Secretary for the club this past year and would like to continue next year as your Secretary.
